

MARCH 2021 | VOLUME 9

DEPARTMENT OF HISTORY

UNDERGRADUATE BULLETIN

Dear History Students:

On behalf of the staff and faculty in the Department of History, we want to commend you for all your hard work and perseverance during this turbulent and challenging year. You are in the homestretch now, with the end of term around the corner and beautiful weather to enjoy.

Due to the difficulties of this year, we understand that students may have taken fewer courses to help manage their workload. Because of this, we are offering several exciting summer courses to ensure you can get the necessary units for graduation.

Page 3 of this bulletin features History's summer courses, and we encourage you to click on each image/course title for more information. You can register for summer courses now until 14 May 2021.

The Department of History also offers numerous pathways for upper-year students to transfer into a History Major, Medial or Minor degree plan. If you are interested in transferring into a History plan, we would be happy to discuss pathways into our program with you. Please see Page 2 for more information.

- Alex Geris, Undergraduate Assistant
- Jenn Lucas, Program Manager
- Dr. Amitava Chowdhury, Undergrad Chair

IN THIS ISSUE:

- 2021 spring/summer courses
- upper-year plan transfer

Upper Level Transfer

Each year the Department of History works with a number of students in their 2nd, 3rd, and 4th year who want to transfer to a History degree plan. Sometimes it takes a little longer to realize that History is your passion, and that is why the Department of History accepts upper-year plan transfers at any point throughout the year.

Each history degree is as unique as the student who earns it. We offer a wide array of choices that allows you to choose the courses, experiential learning opportunities, and independent research topics that are the most interesting and important to you.

To discuss your path to declaring a History degree, email hist.undergrad@queensu.ca

When you transfer into a History degree, the first course you will take is a Core Seminar (HIST 300-330). It is the most important course in a historian's toolbelt because it prepares you for the upper-level seminars you will take to finish your degree.

To plan your pathway into the History degree plan and the courses you will need to take to graduate, contact our Undergraduate Assistant Alex Geris (hist.undergrad@queensu.ca).

To learn more about the History degree plans, click the links below:
