## Plan Selection

A reminder for **first-year students**: plan selection will be taking place between **May 27th and June 2nd, 2020**. We will be holding a virtual meet & greet social event the week before for all our soon-to-be 2nd-year History Majors, Medials, and Minors! All students who were enrolled in a 100-level history course in 2019-20 will be invited. This will give new History students a chance to meet upper-year students who are members of our Peer Advising Team in History (**PATH**) and there may even be a sneak peek of our course offerings for 2020-21! For more information about declaring a History degree plan please visit our [\*\*Plan Selection Website\*\*](#)

# Message from the DSC

Hello History Department!

On behalf of the History Department Student Council, we would like to formally introduce ourselves as the 2020-2021 Co-Presidents. We are Sam and Katie, and we will both be entering our fourth year of History at Queen's this upcoming fall.

We are super excited to see what this year will bring to the department and have several exciting ideas that we hope will engage History students and faculty in new ways. We look forward to maintaining "classic" DSC events (such as the Profs Social and the Speaker Series Event) while also adapting them to suit the needs and desires of our student body.

That being said, we cannot do it alone! This fall, the DSC is anticipating hiring for twelve positions, including Secretary, Events Coordinators, and Blog Managers, and more. Being on the DSC is a rewarding experience and we encourage you to apply, regardless of whether you are a History minor, medial, or major.

Stay well and see you all in the Fall!

Sam and Katie
