Important Notice:

The salary grid has been updated to eliminate bottom steps and add top steps across all grades, resulting in steps being relabeled. Employees in grades 2 – 8 will have same step label while employees in grade 9 will have a step label one lower when compared to the July 2024 grid. **All employees receive an across the board (ATB) increase and step progression increase on July 1, 2025.**

For example, a Grade 6 employee at step 4 on June 30, 2025, has a salary of \$55,067. On July 1, 2025, with the transition to the new grid will land at the new step 4 with a salary of \$58,351. This represents a 6% increase.

A Grade 9 employee at step 4 on June 30, 2025, has a salary of \$78,592. On July 1, 2025, with the transition to the new grid will land at the new step 3 with a salary of \$83,164. This represents a 5.8% increase.
