overcome a  
hard time?**

**Do you want  
to help make  
change in our  
community?**

## **I-CREAtE**

I-CREAtE does research that is community-driven, acts on community needs, and improves health and well-being in KFL&A.

## **Role of community members**

The primary role of community members is make sure projects are rooted in and responsive to community needs.

## **Community Advisory Board**

The Community Advisory Board (CAB) supports the work of I-CREAtE's core research team and its research projects.

## **Commitment**

The CAB meets every three months for two hours. Community members are paid \$50 per meeting.
