

Bilateral Exchange Capacity 2023-2024

Purpose of this document: The following table shows the ratio of available spaces to applications for **the past cycle (Fall 2023/Winter 2024)**. We are sharing this information in order to help you when choosing which schools to list on your application for this upcoming cycle. To see this year's available spaces, check out the document [Spaces and Places](#) on our website.

How do I use this document?

- **Column B** shows the number of exchange spaces in semesters in full years. For example, we were able to send 6 students for 6 semesters to the University of Western Australia.
- **Column C** shows the total number of times a school was chosen over all applications (i.e., could have been a 1st ranked school, 2nd ranked school, 3rd ranked, etc.). **Please remember that this data is indicative of every student being able to list up to six schools in their application.**
