

Bilateral Exchange Capacity 2022-2023

The following table shows the ratio of available spaces to applications for **the past cycle (Fall 2021/Winter 2022)**. We are sharing this information in order to help you when choosing which schools to list on your application for the 2022/23 cycle.

Please note, in some cases available spaces for 2022/23 will be different from 2021/22, and applications, spaces/places and nominations will have been different in years prior to the 2021/22 cycle.

Spaces and Places is published on our [Search Partner Universities and Available Programs](#) webpage.

How do I use this document?

- **Column B** shows the number of exchange spaces in semesters in full years. For example, we were able to send 5 students for 5 semesters to Fudan University.
- **Column C** shows the total number of times a school was chosen over all applications (i.e., could have been a 1st ranked school, 2nd ranked school, 3rd ranked, etc.). Please remember that every student who applies can list six schools in their application!
