

## Courses that have Transferred in the Past from Universities Offering Online Summer Courses

To assist you in selecting courses, we encourage you to look at the list of courses below that have previously been transferred for credit. Any course that has been assessed in 2020, 2019 or 2018 does not require reassessment, and will transfer back as the stated Queen's equivalent. Any course from 2017 or earlier will be reassessed and transfer credit is not guaranteed.

**THIS LIST IS NOT COMPREHENSIVE. These are not the only courses that you can take.** This report is designed to help you when you are making decisions. These are institutions that we believe have online courses, but it is not guaranteed. Also, other universities may be offering online courses.

**On that note:** if a course has been previously transferred for credit at Queen's, this does not mean your ILOP is automatically approved. You still need to attach the 2020 version of the syllabus which we will review.

You also still need to meet the relevant application criteria (e.g., GPA, pre-requisites, etc.).

Thank you,

International Programs Office Team

### FAQ for Reading the Following Reports

**How Do I Read the Queen's Equivalent?** You will notice some courses transfer back as XXXX XUNS. Ex. JAPN 21 ELEMENTARY JAPANESE (3.0) transfers back as JAPN 1UNS/3.0. This UNS stands for **unspecified**, meaning that the course is a 100 level course, it just does not have an exact match here at Queen's University.

**What does the Elec/Conc column mean?** These E and Cs are here to let you know if the course was taken as an elective or part of a student's major or minor plan (their concentration)
