### ◆ Scholarship

<b>KGU-Sponsored Scholarships</b>	Exchange students can apply for a scholarship through KGU along with their application to KGU. Applicants will be informed if they will receive the scholarship roughly a week before arriving in Japan. However, there are circumstances in which students may not be informed until after their arrival in Japan. Note: Please be informed that the number of available scholarships has decreased over the last several years, and that applicants should not expect to receive a scholarship. All students must plan for financing their exchange without the help of this scholarship.

Bringing Prescription Drugs to Japan	There is a form called a "Yakkan Shomeisho" that you need to submit and send to Japan in order to bring prescription drugs and other medical equipment such as prescription contact lenses into Japan. It will then be sent back to you, but can take some time, so please make sure that you look into this several months before you leave for Japan.
