## TRAVEL

[https://www.st-andrews.ac.uk/visiting/travel/](https://www.st-andrews.ac.uk/visiting/travel/)

It is important that students do not fly to the UK via Dublin, Ireland, as this causes problems with immigration into the UK.

## VISAS & IMMIGRATION

<td>Students coming to St Andrews for a full academic year</td>
<td>Students from countries outside the EEA/Switzerland need to apply for a Tier 4 Visa. Once an entrant has accepted their offer to study at St Andrews, we will ask him/her to upload passport information and a copy of their passport, and subsequently to check the accuracy of the information. St Andrews will then issue the entrant with a Confirmation of Acceptance for Studies (CAS), which is used to apply for a Tier 4 Visa. Entrants will be given a temporary visa in their passports called a vignette, which is valid for 30 days from the start date of their course and allows travel into the UK. Leave will start one month before the course start date stated on the CAS. Entrants must then collect their Biometric Residence Permit (BRP) on arrival in the UK. At St Andrews, students will be able to collect their card as part of their matriculation process, provided they quote the University’s unique Alternative Collection Location code (2HE357) on their visa application (guidance is provided to students as part of the CAS process). Please refer to the webpage below for up-to-date information about BRP cards.</td>

- Non-visa national
- Visa national

Please use the UK Visa checker link above to determine which students will need to apply for a Short-Term Study Visa prior to entering the UK.

Students from certain countries may be able to apply for a Short-Term Study Visa at immigration control once they arrive in the UK. St Andrews will issue a letter which entrants should bring with them on arrival into a UK airport.

Entrants should apply for a Short-Term Study Visa before entering the UK.

IMMIGRATION HEALTHCARE SURCHARGE

Tier 4 Visa students

The Surcharge affects all Tier 4 visa students. It is collected by the Home Office at the point of visa application and goes directly to the National Health Service (NHS). Payment of the Surcharge gives migrants access to the NHS on the same terms as permanent UK residents.

https://www.st-andrews.ac.uk/study/support/international-students/moving-to-uk/information-tier-4/healthcare-surcharge/

Short-Term Study Visa students

Short-Term Study Visa students will not be liable for the Surcharge, but will be charged for some NHS medical treatments they receive and so they should ensure that they obtain medical insurance before travelling to the UK. Accident and Emergency care remains free of charge.

ENGLISH LANGUAGE COURSES

The University offers pre-sessional courses, in-sessional support and modules for students whose first language is not English: https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/studies/what-will-i-study/english-language-support/

ACADEMIC INFORMATION

Course catalogue & information

https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/studies/

The catalogue has information about all available modules, including a brief description of content, credits, level, semester availability, contact hours and independent study hours, and assessment. Please get in touch with us if you would like further information on any of our modules to help your students prepare.

Course load

A standard full-time course load is 50-70 credits (25-35 ECTS credits) per semester.

Modules

Most modules are 10, 15, 20 or 30 credits, so students might take fewer classes than at home (e.g. two 30 credit modules), but each module has a high workload. One credit represents the outcome achievable by the average student through 10 notional hours of learner effort.

Modules at first and second level (1000 and 2000) are known as 'sub-honours', while modules at third and fourth level, and in some subjects, fifth level, (3000, 4000, and some 5000) are known as 'Honours'. Please note that Honours modules (and some 1000 and 2000 modules) require significant background knowledge.
Students attending St Andrews through a subject-specific exchange are expected to take at least one module per semester in the subject of the exchange.

| Enrolment & academic advising | Students will be asked to pre-advice online, but module enrolments will only be finalised during Academic Advising, when students will have the opportunity to discuss their programme with an Adviser. |

**ACCOMMODATION FOR EXCHANGE AND STUDY ABROAD STUDENTS**

**Applying for accommodation**  
[https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/applying/accommodation/](https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/applying/accommodation/)

Undergraduate exchange and study abroad students are guaranteed University accommodation as long as they apply by 30 June (for semester one entry) and 15 December (for semester two entry).

Confirmation of allocated accommodation is sent to incoming students throughout the summer period (for semester one entry) and throughout January (for semester two entry).

**Halls of Residence opening dates**  

**FEES AND EXPENSES**

| International Study Abroad programme fees | Semester two of 2018-2019 | £8,475
