

Jewish Studies Funding Request Form

Jewish Studies is happy to receive proposals for events we can sponsor. While there is some flexibility, the following guidelines will dramatically increase the chance of our being able to help support the event.

Guidelines

Jewish Studies will prioritize supporting intellectual, cultural, artistic, and community events that shed light on issues in Jewish life and thought. Our main mandate is to support the academic mission of the university.

1. Events sponsored by multiple Queen's departments are preferred.
2. While Jewish Studies can provide some planning support (tickets, rooms, etc.). the majority of organization and promotion should be externally provided.
3. All events must be free and accessible, open to anyone who might wish to attend (within reason).

Process

The director of Jewish Studies will routinely review and decide upon applications, in consultation (where advisable) with the steering committee. Please submit to da76@queensu.ca

Requirements

Event Name:

Event Dates:

Event Description (names of speakers/ artists, bios, format of event):

Rationale for Event, and For Involvement of Jewish Studies

Target Audience:
