

**QUEEN'S UNIVERSITY  
DEPARTMENT OF MATHEMATICS AND STATISTICS**

**MATH 800 Credit Request Form**

MATH 800 is a required course for Pattern II M.Sc. (Mathematics) students. This course requires the student to participate in one of the many seminars offered by the department. Participation will include, but is not limited to, regular attendance and the delivery of at least one presentation at that seminar. Normally, the seminar selected will be in the student's proposed field of study for their degree. Therefore, students registered in MATH 800 will not necessarily attend the same seminar. MATH 800 is graded Pass/Fail.

Students will, in consultation with their supervisor and the leader of the seminar, complete and submit this form to Jennifer Read by the Fall term add/drop deadline.
