

STUDENT ONQ – REVIEW SIMILARITY SCORE AND ORIGINALITY REPORT

Once you have uploaded an assignment to Turnitin through onQ you will be able to access your Similarity score and Originality report if your instructor has given you permission to see them.

1. On the navbar, select **Assignments** under the **Assessments** tab.

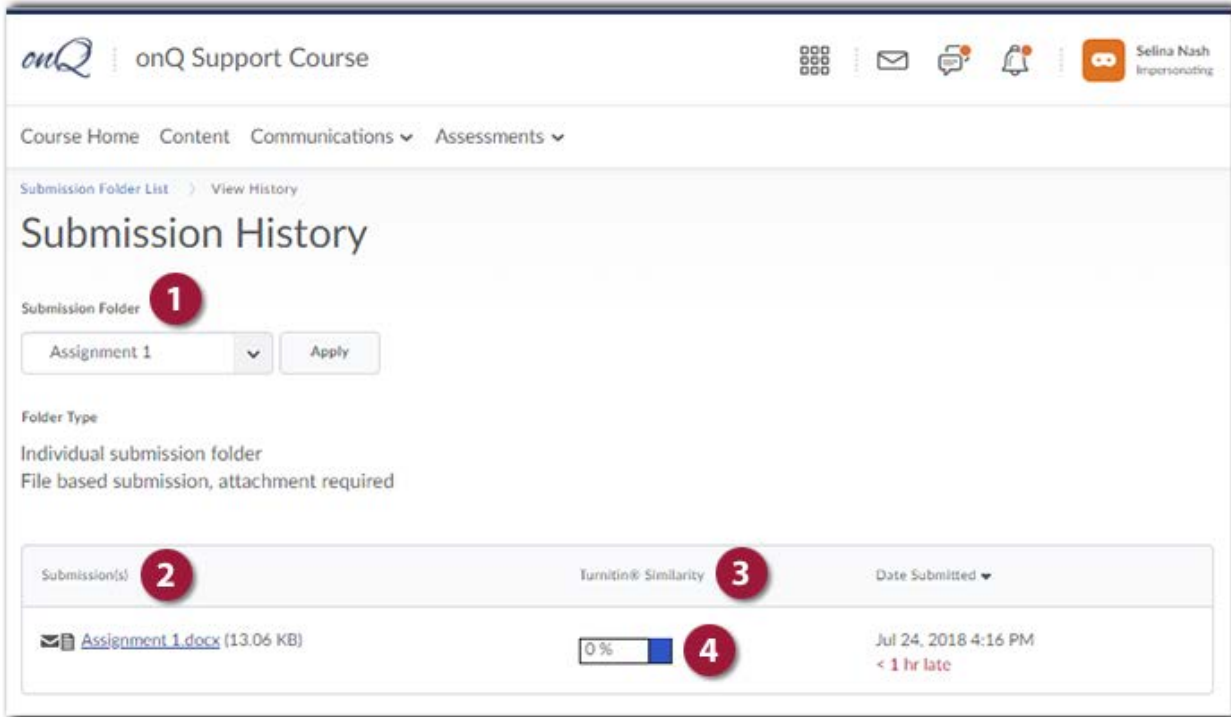

2. On the Assignment Submission Folder page click the **number** (1 in example below) under the Submissions column of the Assignment you want to view.

A screenshot of the onQ 'Assignment Submission Folders' page. The page header includes the onQ logo, 'onQ Support Course', and navigation icons. Below the header, there are navigation links: 'Course Home', 'Content', 'Communications', and 'Assessments'. The main heading is 'Assignment Submission Folders' with a 'Help' icon. A 'View History' button is visible. Below this is a table with the following columns: 'Submission Folder', 'Score', 'Submissions', 'Feedback', and 'Due Date'. The table contains two rows: 'No Category' and 'Assignment 1'. The 'Assignment 1' row has a score of '- / 100', '1' submission, and a due date of 'Jul 24, 2018 4:16 PM'. A red circle with the number '2' is overlaid on the '1' in the 'Submissions' column.

This will take you to the **Submission History** page for this assignment.

1. **Submissions Folder** – access to all assignment submission folders.
2. **Submission(s)** - original submission files.
3. **Turnitin Similarity** – percentage match to periodical, journals, publications, previously submitted papers, and internet content. See Similarity Score Index below.
4. If you have been given access to see the **Turnitin Originality Report** you can access it by clicking on the Similarity Score.
