

Department of Philosophy Colloquium Series

Existence Is Evidence of Immortality

Friday,
March 3rd
4p.m.

Law Building
Room 3

Michael Huemer

University of Colorado-Boulder

Time may be infinite in both directions. If so, then, if persons could live only once in all of time, the probability that you would be alive now would be zero. Since you are alive now, with certainty, either time is limited, or persons can be reincarnated. I will defend this argument and discuss implications.

Everyone Welcome!
