

Physics Stores
Protective COVID-19 Measures

Store hours (subject to change) are Monday to Friday 10am-12pm.

One person allowed in Stores (Rm125) at one time.

Tape is placed on the lobby floor to show physical distancing while in line and at the counter. If there is a need to enter inside Stores, put on a mask and wait for Sam's okay.

Upon approaching counter, please use the hand sanitizer provided.

Provided masks must be used when physical distancing is not possible.

When packages arrive, they will be sprayed with aerosol disinfectant.

Liquid Nitrogen

One person only during nitrogen refilling and doors must remain open. refilling. Use a mask if more than one person is needed.

Wipe down surfaces touched before and after use (pens, gauges, etc)
