Holiday Message

[\(Back to Top\)](#)

Dear Queen's Post-Doctoral Fellows,

As the holidays are approaching, I want to wish you and your families a relaxing change of pace. I hope you take the time to do the things that your schedule may not have allowed for during the busy fall term. Enjoy the break and all the joys that the season offers.

With the establishment of the Office of Post-Doctoral Training at the School of Graduate Studies, 2014 has seen many changes for post-docs at Queen's. In the new year, we will continue to work on providing relevant services for you. For this to be successful, I would like to invite you to share your experiences with us. In early 2015 the OPDT will send out a survey to all Queen's post-docs. Please share your thoughts and provide feedback to help us support you best – we look forward to hearing from you in the new year!

Happy holidays!

Brenda Brouwer, PhD
Vice-Provost and Dean, School of Graduate Studies
Queen's University

Please note: This will be the last OPDT newsletter for 2014. See you in the new year!
