Emergence of concept.

Preapproval

Development takes place within the academic unit, in discussion with the deans.

Proposal development

Faculty Graduate Council(s) / Committee(s), followed by approval by GSEC

Dean’s office recommends potential reviewers, which are then approved by the vice-provost and dean (SGS) and provost.

External review

In the event that significant changes are recommended by the external reviewer(s), the vice-provost and dean (SGS) may request that the academic unit revise the proposal prior to submitting it to GSEC.

Internal responses

Completed by unit and signed by the unit head, deans and provost.

SCAD

Senate

In the event that significant changes are recommended by the external reviewer(s), the vice-provost and dean (SGS) may request that the academic unit revise the proposal prior to submitting it to GSEC.

Approval to commence alternatives include:
1. approval to commence with report.
2. deferral for up to 1 year.
3. approval denied.

Quality Council

Program may be advertised pending QC approval.
