

**Email topic:** EDI Funds for EDI Guest Speakers in Courses

Hello,

Many of you are inviting guest speakers into your courses in relation to EDI or would like to. The EDI committee wants to support and encourage this. Accordingly, you can apply for up to \$100 to provide speakers with an honorarium.

Details:

**-What to send:** Fill out and send the attached document.

**-Whom to email:** please email Sari van Anders, EDI Chair: sva5@queensu.ca

**-Deadline:** rolling until our funds budgeted for this are used up.

**-Amount:** You might consider \$50-\$100 for a class visit but please check with the guest and what is meaningful honoraria in your field and for them. Please note: if we hear that honoraria rates are significantly beyond \$100, we will reconsider the baseline amount for future years.

best wishes,

Sari and the EDI Committee
