1. Halloween party update
 - a. Went very well! Lots of people were there.
 - b. We owe Alex from physics \$20 for the event – Kalee will speak with Rebekah to make arrangements.

2. Holiday party
 - a. Katrina is meeting with Megalos contact tonight, but they are booked on November 29th. Lots of places may be booked up, but we will keep calling around. Could consider changing the date if necessary – we have the doodle poll and only sent out a save the date. For now, we'll call around and hope to get something for November 29th.
 - i. Other space options (person calling the venue is named next to it):
 1. **The Merchant – Jackie H**
 2. Stone City
 3. Tir Nan Og
 4. **Amadeus - Chloe**
 5. **The Mansion – Jackie C**
 6. Clark hall pub
 7. Ban Righ
 8. **Hotel room (e.g., Delta and Aqua Terra) – Katrina**
 9. Spin
 - b. How much do we want to charge? We have about \$200 in the bank.
 - i. Could charge \$20 with one or two drinks and appetizers. Maybe \$15 for in advance and \$20 or \$25 for last minute purchases?
 - c. 30 people responded to the doodle. **Estimate 50-60 people will come.**
 - i. So estimate that we could spend ~ \$750-1000 on the whole venue.
 - d. Consider have the event theme/dress code being black & white.
