

AGSIP Meeting

September 16

Attendance: Katrina, Sara, Chloe, Sophie, Jackie C, Jackie H, Vanessa, Kalee

Regrets: Rebekah

1. Fundraising
 - a. Have a fundraiser or raise money through events?
 - b. Let's do one bake sale to raise some money, lots of undergrads
 - i. Close to Halloween?
 - c. Food-related competition? Some other competition?
 - d. Could charge money at e.g., housecrawl,
 - i. Charge \$10 at housecrawl; last year raised over \$200

2. Housecrawl
 - a. Stick with **October 3rd**, even though it's Yom Kippur; no other good weekend (Thanksgiving, conferences). Earlier in October is better, and Thursday is not ideal (developmental class Friday morning).
 - b. Route:
 - 1) Start at Kalee/Vanessa's (Nelson & Johnson) → sangria
 - 2) Sophie's (Elm and Divison; 2 blocks north of Princess) → rye and ginger ale
 - 3) Sara's (skyline) → Jello shots
 - 4) Jackie C's (Montreal and Princess) → vodka lemonade
 - c. Jello shots at one of the houses; not the last one (stay there the longest, want a drink in hand)
 - d. Call it for 7:30pm? Want people show up by 8pm.
 - e. Theme/costume!
 - i. What you'd be if you weren't going to be a psychologist (alternate career choice).
 - f. Early-bird tickets: \$10 → buy by Tuesday the 30th
At the door/late: \$15 → last three days (bought Oct 1st onwards)
 - g. Jackie C. will make tickets.
Sophie will make map.
Kalee will make the facebook event.
 - h. As soon as tickets/map are ready, we should send an e-mail about it. Can have them ready this week; Facebook page can go up today – tickets will be available starting Friday.
 - i. Make it clear in e-mail and Facebook page: tickets are \$10 early bird up until the 30th.

3. Halloween pumpkin carving contest? **Friday, October 31st at 2pm.**
 - a. Jackie H. will ask her neighbor if she has pumpkins to give away or sell for cheap.

- b. Charge e.g., \$5 for a lab/team (3-4 people teams) to enter into the contest (for one pumpkin – feel free to combine labs to create a team; can also sign up as singles and we'll create their team). Each additional pumpkin \$2 more?
 - c. Winning team could get candy.
 - d. Could make apple cider → can advertise some drinks(/food) for sale.
 - e. Buy zapto knives from the dollar store.
 - f. Can plan to do this outside. If it is too cold or snowy, we can meet in the grad lounge instead (garbage bags, newspapers).
 - g. People can judge other people's pumpkins, can't choose your own, and vote on the best. Could also have admin people involved in voting/choosing.
4. Bake sale in Humphrey lobby another day.
5. Late tuition and \$150 charge.
- a. Shouldn't be able to charge tuition until we are paid – should be due 15th instead of the 1st.
 - b. Katrina will approach SGPS to try and petition/ask to change the system for graduate students.
