Present: Larah, Dan, Meghan, Alison, Pelin, Kat, Steve

Regrets: Tina

Agenda: House crawl debrief, department meeting, November event

House Crawl

- Well attended
- Maybe have more games at events that get more people across different cohorts and areas to get to know each other
- We should have more non-drinking events
- Have one of these in November (see below)

November event

- Have grad club booked for free on Nov 23 – will cancel and try to book for next year
- Free on Fridays, doorman and security free, only have to pay for sound – 110\$
- Sound works would deliver sound stuff around 8pm and then pick it up
- Check to see what Fridays they are available and book this in winter semester
- Maybe open this up to Kingston community
- Try to book in March – maybe make it a St Paddy's day thing for grad students and of course others can bring friends
- Decided to do non-drinking event in November
- Axe throwing –30\$ per person
- This is expensive so may be prohibitive – think about subsidizing this if we get access to account with money in it
- Maybe do an escape room
- Paint Nite is another idea
- Decided on Minotaur board game night – Thursday – from 5-9pm – do the 22nd or 29th or Dec 6th (decide when MSc1s know their 801 exam date)

Department Meeting

- Will talk about TA feedback, Tangerine bank account – talk to Kate about this – having her confirm that the individuals on the account used to work at Queen's
- Will ask about holiday party
