Congratulations Class of 2020! You have demonstrated grit, determination, resilience, a love of learning, a willingness to explore ideas and shared your passion. Take the time to reflect and celebrate all of the hard work and the accomplishments that have brought you to this moment. Graduating from Queen's is not a destination, but it is the beginning of your next chapter. Our hope is that you will take what you have learned and in your own way make a difference. Each of us has the power to make an impact. The world needs your ideas, energy, and spirit now more than ever. Find your passion and use your skills and knowledge and take the first steps to make meaningful change. As a faculty, we want to thank you for the opportunity to learn from you and to participate in your learning. We hope you celebrate this incredible accomplishment and look forward to the day when we can meet in person again.

Congratulations, and well done Class of 2020.
