

Caroline F. Pukall, Ph.D., C.Psych.

Professor & Director, Sex Therapy Service
Department of Psychology, Queen's University
Humphrey Hall, 62 Arch Street, Kingston, Ontario, K7L 3N6
Phone: 613.533.3200; Fax: 613.533.2499
E-mail: caroline.pukall@queensu.ca

Personal Data

Languages: English, French
Citizenship: Canadian

Research and Clinical Interests

Human sexuality
Sexual dysfunction
Chronic pain
Pain and sensitivity measurement
Dyspareunia
Vulvar vestibulitis syndrome, vestibulodynia, vulvodynia
Gynecological experiences
Sexual health
Female sexual arousal
Psychophysics
Brain and blood flow imaging
Male circumcision
Knowledge translation

Academic Positions

September 2016 – present

Cross-appointed to the Department of Biomedical and Molecular Sciences, Queen's University, Kingston, Ontario

July 2015 – present

Cross-appointed to the School of Rehabilitation Therapy, Queen's University, Kingston, Ontario

July 2014 – present

Professor, Department of Psychology, Queen's University, Kingston, Ontario

July 2009 – June 2014

Associate Professor, Department of Psychology, Queen's University, Kingston, Ontario

December 2013 – September 2014

Interim Acting Director, Psychology Clinic, Department of Psychology, Queen's University, Kingston, Ontario

January 2009 – present

Director, Sex Therapy Service, Psychology Clinic, Department of Psychology, Queen's University

March 2007-present

Member, Centre for Neuroscience Studies, Queen's University, Kingston, Ontario

July 2004 – June 2009

Assistant Professor, Department of Psychology, Queen's University, Kingston, Ontario

July 2003-June 2004

Adjunct Assistant Professor, Department of Psychology, Queen's University, Kingston, Ontario

June 2003 – June 2004

Post-Doctoral Fellow, Department of Psychology, McGill University, Montreal, Quebec, Canada

Education

September 1997 – August 2003

Ph.D., Clinical Psychology, McGill University, Montreal, Quebec, Canada

September 1992 – June 1996

B.A., Department of Psychology, McGill University, Montreal, Quebec, Canada

Fellowships, Awards, and Honors

September 2015	Recipient of the 2015-2016 SSTAR Health Professional Book Award (for <i>Human Sexuality: A Contemporary Introduction</i>)
May 2015	Recipient of the 2014-2015 Department of Psychology Teaching Award, Queen's University
October 2014	Recipient of the Canadian Sex Research Forum Outstanding Contribution Award, Canadian Sex Research Forum (CSRF)
November 2013	Nominated in the Top 10 for the W.J. Barnes Teaching Award, Arts & Science Undergraduate Society, Queen's University
November 2013	Recipient of the 2012-2013 Department of Psychology Teaching Award, Queen's University
March 2011	Recipient of the 2010-2011 Department of Psychology Teaching Award, Queen's University
April 2007	Nominated for the Department of Psychology Teaching Award, Queen's University
March 2007	Queen's University Office of Research Services Travel Award
May 2006	Queen's University Faculty of Arts and Science Travel Award
September 2005	Queen's University Office of Research Services Travel Award
April 2005	Queen's University Faculty of Arts and Science Travel Award
September 2004	Queen's University Office of Research Services Travel Award
November 2004	Canadian Association for Graduate Studies-University Microfilms International Distinguished Dissertation Award in the Fine Arts, Humanities, & Social Sciences
May 2004	Quebec Pain Research Initiative Trainee Travel Award
October 2003	Dean's Honor List PhD Dissertation Award, McGill University Prize Essay Winner, International Society for the Study of Women's Sexual Health
July 2003-June 2004	McGill University Health Center Research Institute Post-Doctoral Fellowship
May 2003	Alma Mater Student Travel Grant, Faculty of Graduate Studies and Research, McGill University
Sept 2002-May 2003	Lloyd Carr-Harris McGill Majors Fellowship, McGill University McGill University Health Center Research Institute Fellowship (<i>declined</i>)
March 2002	Alma Mater Student Travel Grant, Faculty of Graduate Studies and Research,

	McGill University
February 2002	Student Research Award, North American Society for Psychosocial Obstetrics and Gynecology
January 2002	Best Clinical Research Poster Presentation Award, McGill Pain Day, McGill University
October 2000	Graduate Student Travel Award, Department of Psychology, McGill University
March 2000	Student Research Award, Society for Sex Therapy and Research
Sept 1999-Aug 2002	Scholarship, Fonds pour la Formation de Chercheurs et L'Aide à la Recherche
January 1998	Nominated for the Teaching Assistant Award, Department of Psychology, McGill University
Sept 1997-Aug 1999	Scholarship, Fonds pour la Formation de Chercheurs et L'Aide à la Recherche
June 1996	Graduated (BA Psychology) on the Dean's Honor List with Great Distinction

Research Grants (Awarded)

2016	American Institute of Bisexuality, \$20,200 USD. Pukall CF (PI), Blair KL (co-PI), Gauvin S (co-PI). An investigation of the relationship between partner gender and sexual, relationship, and social well-being in individuals who self-identify as bisexual.
2016	Nova Scotia Health Research Foundation (NSHRF) Operating Grant, \$150,000. Rosen NO (PI), Pukall CF, Chorney J, George R, Snelgrove-Clarke E, Lee-Baggley D (co-PIs). A longitudinal study of biopsychosocial predictors of postpartum genito-pelvic pain: 12 and 24 months later.
2016	Canadian Institutes of Health Research Project Scheme Operating Grant, \$180,000. Pukall CF (PI), Gordon AS (Co-PI), Chamberlain SM, Pink LR, Holden RH (co-applicants). A biopsychosocial investigation of persistent genital arousal disorder (PGAD) in women.
2016	National Vulvodynia Association, \$25,000 USD. Pukall CF (PI), Stroman P, Chamberlain SM (co-PIs). Spinal cord and brainstem imaging in women with provoked vestibulodynia.
2015	Senate Advisory Research Council, Queen's University. \$8,500 Pukall CF (PI), Gordon A, Pink L, Bouchard K, Jackowich R (Co-PIs). Psychosocial function in women with persistent genital arousal disorder.
2015	Faculty of Health Sciences, Queen's University, Operating Grant. \$25,000 Groll D (PI), Charbonneau D, Belanger S, Aiken L, Pukall CF, Abram B, Muller M (Co-PIs). Yoga therapy as a treatment for post-traumatic stress disorder.
2015	CIHR, SPOR Networks in Chronic Disease, \$50,000 Buckley DN, Chambers CT, Diatchenko L, Frechette P, Gilron I (PIs), on behalf of the CIHR SPOR Network in Chronic Pain (C. Pukall, member). Chronic pain network.
2013-2015	Pfizer Neuropathic Pain Research Award, Operating Grant. \$125,000 Stroman P (PI), Lueng L, Pukall CF, Staud R (Co-PIs). Temporal summation of pain in fibromyalgia investigated by means of fMRI of the entire CNS.

- 2012-2013 Pfizer-Canadian Male Sexual Health Council (CMSHC), Clinical Research Operating Grant, \$25,000.
Pukall CF, Steele S (Co-PIs). The effects of circumcision on sexual function and penile sensitivity in young men.
- 2012-2013 Canadian Institutes of Health Research (CIHR), Operating Grant, PA: Gender, Sex, and Health Research, Work and Health and Sexual Health, Institute of Gender and Health (IGH), \$100,000.
Pukall CF, Gilron I, Chamberlain SM, Childs T (Co-PIs). Neuropathic pain characteristics in women with vulvodynia.
- 2011-2014 National Vulvodynia Association, Operating Grant, \$20,000.
McLean L (PI) & Pukall CF (co-PI). Ultrasound imaging as a new assessment and biofeedback tool to evaluate pelvic floor muscle morphology and function in women with vulvodynia.
- 2011-2012 Garfield Kelly Cardiovascular Research and Development Fund, Queen's University, \$10,000.
Hamilton A & Flynn L (co-PIs); Pukall CF (collaborator). Localized co-delivery of adipose-derived stem cells and growth factors for the treatment of peripheral ischemia.
- 2011 PARTEQ Proof of Principle Fund, \$3,000
Pukall CF. Digital vulvalgesiometer.
- 2009-2012 Canadian Institutes of Health Research (CIHR), Operating Grant, \$180,000
Pukall CF (PI), Chamberlain SM (co-PI). Investigating vestibulodynia subtypes from a multidimensional pain perspective.
- 2009-2012 Pfizer Neuropathic Pain Research Awards, Operating Grant, \$150,000
Pukall CF (PI), Chamberlain SM (co-PI). Vulvodynia: A neuropathic pain condition?
- 2009-2011 SEAMO (Southeastern Ontario Academic Medical Organization, \$120,000.
Harrison M (PI), Aiken A, Brouwer B, Groll D, Pukall CF. Measuring changes in the physical, psychological, and radiographic status of patients awaiting hip or knee replacement surgery.
- 2009-2010 Canadian Institutes of Health Research (CIHR), IMHA Operating Grant, \$76,000
Harrison M (PI), Aiken A, Brouwer B, Groll D, Pukall CF. Measuring changes in the physical, psychological, and radiographic status of patients awaiting hip or knee replacement surgery.
- 2008-2009 Lesbian Health Fund, Gay and Lesbian Medical Association, \$9,656.
Smith KB (PI) & Pukall CF (Co-PI). Sexual and relationship functioning among lesbian and bisexual women.
- 2008-2010 National Vulvodynia Association Operating Grant, \$25,000
McLean L (PI), Pukall CF (Co-PI). Evaluation of superficial and deep pelvic floor muscle responses to pressure at the vulvar vestibule and to a quick stretch of the introitus in women with and without provoked vestibulodynia.

- 2007-2012 Early Researcher Award, Ministry of Research and Innovation (MRI), \$100,000.
Pukall CF. Comparing two common forms of vulvar pain with an integrated pain approach.
- 2007-2012 Canadian Institutes of Health Research (CIHR) NET grant, \$1,800,000. Co-applicant.
Baron M (PI) et al. A New Emerging Team: The Canadian Scleroderma Research Group.
- 2007-2008 Canadian Institutes of Health Research (CIHR) Synthesis Grant, \$89,962.
Harrison M & Aiken A (PIs), Brouwer B, Pukall CF, Groll D, Joss B, Deluzio K.
Change in objective functional tests while waiting for total joint replacement.
- 2007-2008 Advisory Research Council of Queen's University, \$5,680
Pukall CF (PI), Smith KB (co-PI). Sexual and relationship functioning among lesbian and bisexual women.
- 2007-2012 Chancellor's Research Award, Queen's University, \$50,000
Pukall CF. Investigating vulvodynia subtypes from a multidimensional perspective.
- 2006-2012* Canadian Institutes of Health Research New Investigator Award, \$250,000
Pukall CF. Investigating vulvodynia subtypes from a multidimensional perspective.
*extended for one year due to parental leave during which the award was not active
- 2006-2009 Canadian Institutes of Health Research Operating Grant, \$250,000
Pukall CF. Investigating vulvodynia subtypes from a multidimensional perspective.
- 2005-2010 Canadian Institutes of Health Research Operating Grant, \$715,000
Binik YM (PI), Pukall CF, Bergeron S, Amsel R, Khalifé S, Dupuis M-J.
Sexual pain is not that sexy: A multidimensional but pain-focused model.
- 2005-2008 National Vulvodynia Association Operating Grant, \$22,500
Pukall CF. Comparing women with primary and secondary vulvar vestibulitis syndrome.
- 2005-2008 Ministry of Research and Innovation, \$64,000
Pukall CF. Sexual Health Research Facility.
- 2005-2008 Canada Foundation for Innovation New Opportunities Grant, \$64,000
Pukall CF. Sexual Health Research Facility.
- 2004-2007 National Institutes of Health Operating Grant, \$450,000
Nickel JC, Tripp DA, Pukall CF, Smith KB.
Relationship issues in men with chronic prostatitis/chronic pelvic pain syndrome.
- 2005-2006 Advisory Research Council of Queen's University, \$5,000
Pukall CF. Comparing vulvar vestibulitis syndrome and generalized vulvodynia.
- 2004-2008 Research Initiation Grant, Queen's University, \$75,000
Pukall CF. Sexual Health Research Laboratory.

2004 Canadian Institutes of Health Research Operating Grant, \$100,000
 Baron M (PI), Pukall C, et al. Development of a Canadian Scleroderma Research Group.

53. Pukall CF (February 2008). Painful sex. Presented at the FemHealth Fair, Sexual Health Resource Center, Queen's University, Kingston ON.
54. Boyer SC, Smith KB, Pukall CF (February 2008). Healthy intimate relationships. Presented at the FemHealth Fair, Sexual Health Resource Center, Queen's University, Kingston ON.
55. Pukall CF (February 2008). What is sex therapy? Presented at the Clinical Psychology Brown Bag Seminar Lecture Series, Department of Psychology, Queen's University, Kingston, ON.
56. Pukall CF (January 2008). Pain during sex: Is it “all in the head?” Presented at the Queen's University Centre for Neuroscience Studies Lecture Series, Kingston ON.
57. Pukall CF (September 2007). Sex therapy basics. Presented at the Sexual Medicine Symposium, Faculty of Medicine, Queen's University, Kingston, ON.
58. Pukall CF (March 2007). Dealing with difficult relationships. Presented at the No One Fights Alone Lecture Series, Queen's University, Kingston, ON.
59. Pukall CF & Goldstein AT (February 2007). Practical aspects of the management of pre- and post-menopausal women with sexual pain disorders. Workshop presented at the Annual Meeting of the International Society of the Study of Women's Sexual Health (ISSWSH), Orlando, FL.
60. Sutton KS & Pukall CF (February 2007). Getting to know your genitals: The where, what, and how of ‘down there.’ Presented at the Vagina Monologues Conference, Kingston, ON.
61. Pukall CF (January 2007). Sexual health education. Presented at the Queen's Conference on Education, Queen's University, Kingston, ON.
62. Pukall CF (November 2006). Chronic vulvar pain: Is it in the vulva or is it “all in the head?” Presented at the Proseminar in Psychology Lecture Series, Queen's University, Kingston, ON.
63. Pukall CF (November 2006). Vulvodynia. Presented in the Behavioral Neuroscience of Pain course (PSYC470), Department of Psychology, Queen's University, Kingston, ON.
64. Pukall CF (October 2006). Communication in intimate relationships. Presented at the Mental and Sexual Health Awareness Week Lecture Series, Queen's University, Kingston, ON.
65. Pukall CF (October 2006). Female sexual dysfunction: Myth or reality? Presented at the Women's Health and Reproduction Lecture Series, Queen's University, Kingston, ON.
66. Pukall CF (September 2006). Principles of sex therapy. Presented at the Sexual Medicine Symposium, Faculty of Medicine, Queen's University, Kingston, ON.
67. Pukall CF (September 2006). Sexual pain syndromes. Presented at the 2nd European Female Sexual Dysfunction Conference, British Society for Sexual Medicine, London, UK.
68. Pukall CF (September 2006). Vulvar vestibulitis syndrome: Is the pain “all in the head?” Presented at Obstetrics and Gynecology Grand Rounds, George Washington University Medical Center, Washington, DC. This talk was part of an Invited Visiting Professorship.
69. Pukall CF (June 2006). Does “sexual pain” exist? Presented at the University of Vermont College of Medicine, University of Vermont, VT.
70. *Pukall CF (June 2006). Is “sexual pain” really sexual? Presented at the *New Developments in Understanding and Treating Sexual Dysfunction* symposium at the 67th Annual Convention of the Canadian Psychological Association (CPA), Calgary, AB. Abstract published in Canadian Psychology Annual Convention Issue Abstracts, 47: 2a, 128.

71. Binik YM, Payne KA, Pukall CF (March 2006). When I'm touched, it feels so good that it hurts. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Lisbon, Portugal.
72. Pukall CF (March 2006). Sexual health research laboratory. Presented at the General Meeting of the Sexual Health Resource Center, Queen's University, Kingston, ON.
73. Pukall CF (January 2006). Vulvar pain: Is it in the vulva or is it "all in the head"? Presented at the meeting of La Société Québécoise pour L'étude des Pathologies Vulvaires, Montreal, QC.
74. Pukall CF (January 2006). The vulva monologue. Presented at the Southern Ontario Vagina Monologues Conference, Toronto, ON.
75. Pukall CF (January 2006). Female genital pain. Presented at the Anatomy and Cell Biology Seminar Series, Department of Anatomy and Cell Biology, Queen's University, Kingston, ON.
76. Pukall CF (December 2005). Vulvodynia. Presented at the Clinical Brown Bag Seminar, Department of Psychology, Queen's University, Kingston, ON.
77. Pukall CF (October 2005). NIH consensus review on vulvodynia. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH) as part of a symposium entitled *Management Strategies for Women with Sexual Pain Disorders*, Las Vegas, NV.
78. Pukall CF, Bergeron S, Khalifé S, Dupuis M-J (October 2005). Cognitive behavior therapy in women with vulvodynia. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH) as part of a symposium entitled *Management Strategies for Women with Sexual Pain Disorders*, Las Vegas, NV.
79. Pukall CF (October 2005). Ethical issues in sex therapy and research. Presented in the Ethical and Professional Issues in Psychology course (PSYC829), Department of Psychology, Queen's University, Kingston, ON.
80. Pukall CF (September 2005). Sex therapy. Presented at the Sexual Medicine Symposium, Faculty of Medicine, Queen's University, Kingston, ON.
81. Pukall CF (May 2005). Vulvodynia and vaginismus: Latest on diagnosis and management. Presented at the 1st European Female Sexual Dysfunction Conference, British Society of Sexual Medicine, London, UK.
82. Pukall CF (April 2005). Chronic genital pain. Presented at the 3rd Annual Pain: Chronic and Acute Pain Issues for Health Care Providers Workshop, Kingston, ON.
83. Pukall CF (February 2005). Vulvodynia. Presented at Pain Education Rounds, St. Mary's of the Lake Hospital, Kingston, ON.
84. Pukall CF (November 2004). Sexual dysfunction and sex therapy. Presented at the Clinical Brown Bag Seminar, Department of Psychology, Queen's University, Kingston, ON.
85. Pukall CF (October 2004). Vulvalgesiometry: Comparison of techniques for assessing pain and sensitivity thresholds in women with vulvar vestibulitis syndrome. Presented at the Vulvodynia and Sexual Pain Disorders in Women State of the Art Consensus Conference, Atlanta, GA.
86. Pukall CF (September 2004). What is sex therapy? Presented at the Sexual Medicine Symposium, Faculty of Medicine, Queen's University, Kingston, ON.
87. *Pukall CF (May 2004). Vulvar pain: Why don't the classification systems reflect the research? [abstract]. Presented at the 7th Congress of the European Federation of Sexology (EFS), May 12-16, 2004; Brighton, UK. Abstract available in *Sexual and Relationship Therapy*, Vol. 19, Supplement 1, May 2004.
88. Pukall CF (April 2004). Neural representations of genital touch and pain in women with vulvar vestibulitis syndrome: A functional magnetic resonance imaging study. Presented at the 29th annual meeting of the Society for Sex Therapy and Research (SSTAR), Arlington, VA.
89. Pukall CF (December 2003). Principles of sexual counseling. Presented at the Sexual Medicine Symposium, Faculty of Medicine, Queen's University, Kingston, ON.
90. *Pukall CF (May 2003). Pain measurement in women with vulvar vestibulitis syndrome.

- Presented at a symposium on Urogenital Pain in Women at the Canadian Pain Society (CPS) meeting, Toronto, ON. Abstract available in *Pain Research & Management*, Vol. 8, Supplement B, Spring 2003.
91. Pukall, CF (May 2003). Gynecological pain: Perspectives and pain measurement methods. Presented at the 2nd Annual Pain: Chronic and Acute Pain Issues for Health Care Providers Workshop, Kingston, ON.
 92. Pukall CF (April 2003). Examining vulvar vestibulitis syndrome from a pain perspective. Presented at Obstetrics and Gynecology Grand Rounds at Kingston General Hospital (Etherington Hall), Kingston, ON.
 93. Pukall CF (March 2003). Dyspareunia: Pain characteristics and potential mechanisms. Presented at Back to the Basics Rounds at the Pain Center, McGill University Health Center (Montreal General Hospital), Montreal, QC.
 94. Pukall CF (February 2003). Sensory thresholds and neural correlates of pain in women with vulvar vestibulitis syndrome. Presented at Pain Rounds at the Pain Center, McGill University Health Center (Montreal General Hospital), Montreal, QC.
 95. Binik YM, Carrier S, Pukall CF, Hénauld I, Katerelos D (January 2002). Sex (therapy) after Viagra: How to assess and treat men with erectile dysfunction. Presented at Psychiatry Grand Rounds, Allan Memorial Institute, Royal Victoria Hospital, Montreal, QC.
 96. Pukall CF (January 2002). Pain measurement in the sexual pain disorders. Presented at Pain Rounds at the Wasser Pain Management Center, Mount Sinai Hospital, Toronto, ON.
 97. Pukall CF (September 2001). Pain perspective of vulvar vestibulitis syndrome. Presented at the annual Hebb Showcase series, McGill University, Montreal, QC.

Scientific Presentations & Published Abstracts (Oral Presentations) (*Published abstracts)

1. Gauvin S, Pukall CF. Genital self-image and body exposure anxiety of individuals in same-gender versus mixed-gender relationships. Abstract accepted for presentation to the 23rd Congress of the World Association for Sexual Health (WAS), May 2017, Prague, CZ.
2. Gauvin S, Pukall CF. Development and validation of the SexFlex Scale. Abstract accepted for presentation to the 23rd Congress of the World Association for Sexual Health (WAS), May 2017, Prague, CZ.
3. Gauvin S, Pukall CF. Anal pain and penetration cognitions in men who have sex with men: A pilot study. Abstract accepted for presentation to the 23rd Congress of the World Association for Sexual Health (WAS), May 2017, Prague, CZ.
4. Gauvin S, Pukall CF. Detour ahead: Similarities and differences in how same-gender and mixed-gender relationships navigate issues in their sexual relationships. Abstract accepted as a symposium presentation (*Improving our understanding of relationship and sexual functioning in mixed-sex and same-sex couples*) at the Annual Meeting of the Canadian Psychological, June 2017, Toronto, ON.
5. Dargie E, Pukall CF. Improving the care of clients in pain: Construction, validity, reliability, and clinical utility of the Vulvar Pain Assessment Questionnaire (VPAQ) Inventory. Abstract accepted for presentation at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), April 2017, Montreal, QC.
6. Jackowich R, Gordon AS, Pink LR, Pukall CF. Impact of persistent genital arousal symptoms on women's psychosocial, sexual, and relationship functioning. Abstract accepted for presentation at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), April 2017, Montreal, QC.
7. Jackowich R, Gordon AS, Pink LR, Pukall CF. When feelings of genital arousal are unwanted: Symptom characteristics, and medical and treatment histories of an online sample of women with persistent genital arousal. Abstract accepted for presentation at the JA Low Research Day,

Department of Obstetrics and Gynecology, Faculty of Health Sciences, Queen's University, Kingston, ON.

8. Gauvin S, Jackowich R, Pukall CF (August 2016). Communicating about sexual consent: Putting lessons from the field of sexual health research into action. Presented at the Ontario Universities Taking Action Against Sexual Violence, Kingston, ON.
9. O'Donovan MJ, McLean L, Hunter J, Pukall C, Krupa T (May 2016). Can physiotherapists identify patients who will develop persistent low back pain? Presented at the Annual Meeting of the Canadian Association of Physiotherapists, Victoria, BC.
10. Bossio JA, Pukall CF, Steele (April 2016). Examining penile sensitivity in circumcised and intact men using quantitative sensory testing. Presented at the Society for Sex Therapy and Research (SSTAR), Chicago, IL.
11. Bouchard KN, Dawson SJ, Shelley AJ, Pukall CF (October 2015). New directions in assessing women's sexual response: The laser Doppler imager and the litmus test strip. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
12. Dargie E, Pukall CF (October 2015). Women in "sexual" pain: Changing the conversation. Presented at the Canadian Sex Research Forum (CSRF), Kelowna, BC.
13. Cappell J, Pukall CF (October 2015). For new mothers, the relationship matters: Relationship characteristics and postpartum sexuality. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC. **Winner of an Honourable Mention for Best Student Presentation.*
14. Bossio JA, Pukall CF (August 2015). Does neonatal circumcision impact men's penile sensitivity and blood flow? Presented at the Annual Meeting of the International Academy of Sex Research (IASR), Toronto, ON.
15. Cappell J, Chamberlain SM, Pukall CF (April 2015). From the delivery room to the bedroom: A multidimensional approach to postpartum sexual function. Presented at J. A. Low Research Day, Faculty of Health Sciences, Queen's University, Kingston, ON.
16. Bossio JA, Shelley AJ, Pukall CF (March 2015). You either have it or you don't: Does men's circumcision status impact their partners' sexual functioning? Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
17. Bouchard KN, Pukall CF, Chivers ML (March 2015). Thinking outside the box: A within-subjects comparison of vulvar and vaginal concordance in healthy women. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
18. Cappell J, Pukall CF (March 2015). Factors associated with resumption of sexual activity in the postpartum period: Examining relationship characteristics and non-coital sexual activities. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
19. Shelley AJ, Bouchard KN, Dawson SJ, Pukall CF (March 2015). Examining the validity and utility of two new measurement devices in sexual psychophysiological research. Presented at the Inquiry at Queen's Research Conference, Kingston, ON.
20. Thibault-Gagnon S, Goldfinger C, Pukall CF, Chamberlain S, McLean L (October 2014). Differences in the biometry and the behavior of the pelvic floor muscles between women with and without provoked vestibulodynia. Presented at the Annual Meeting of the International Pelvic Pain Society (IPPS), Chicago, IL. **Winner of the Top Abstract Award (with the honor of oral presentation)*
21. Bouchard KN, Pukall CF, Chivers ML, Coyle SM (October 2014). Right tool for the job? The effects of genital arousal measurement on female sexual concordance. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
22. Bossio JA, Pukall CF, Dimnik M, Coyle S (October 2014). Does neonatal circumcision impact men's penile sensitivity and blood flow? Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON. **Winner of the Best Student Presentation Award*

23. Dargie EE, Pukall CF, Chamberlain SM, Chen C (October 2014). Looking beyond the label: Vulvar pain patterns across settings. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
24. Zadorozny E, Bouchard K, Pukall CF, Coyle S, Waxman S (March 2014). Ready or not: Exploring sexual arousal in women who report sexual arousal/desire difficulties. Presented at Inquiry @ Queen's, Queen's University, Kingston, ON.
25. *Boyer SC, Pukall CF (February 2014). Pelvic examinations in women with and without chronic pain during intercourse. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), San Diego, CA. *Winner of the New Investigator Award. Published in The Journal of Sexual Medicine, 2014, 11(Suppl 4): 216.
26. *Boyer SC, Pukall CF, Chamberlain SM (February 2014). Canadian medical resident knowledge, attitudes, and comfort with vulvodynia. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), San Diego, CA. Published in The Journal of Sexual Medicine, 2014, 11(Suppl 4): 224.
27. Blair KL, Pukall CF (November 2013). "He's just not right for you": Do our perceptions of support for our relationship have consequences for relationship and health outcomes? A longitudinal investigation of same-sex and mixed-sex relationships. Presented at the Annual Meeting of the Society for the Scientific Study of Sexuality (SSSS), San Diego, CA.
28. Blair KL, Pukall CF (October 2013). Asking the right questions: Considering duration vs. frequency when measuring sexual activity. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Charlottetown, PE.
29. Bouchard K, Boyer, SC, Waxman SE, Pukall CF, Coyle SM (October 2013). What's going on down there? An examination of sexual arousal and sexual concordance in women with and without sexual arousal difficulties. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Charlottetown, PE.
30. Dargie EE, Pukall CF (October 2013). One of these things is not like the other: Subtyping chronic vulvar pain. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Charlottetown, PE.
31. Blair KL, Pukall CF (September 2013). The health implications of being in a socially supported relationship: a longitudinal investigation of same-sex and mixed-sex couples. Presented at the Annual Meeting of the Gay and Lesbian Medical Association (GLMA), Denver, CO.
32. Blair KL, Pukall CF, Smith KB (September 2013). When sex hurts: Experiences of chronic vulvar and pelvic pain among women of diverse sexual identities: Consequences for sexual and relationship satisfaction. Presented at the Annual Meeting of the Gay and Lesbian Medical Association (GLMA), Denver, CO.
33. Blair KL, Pukall CF (June 2013). Predictors of relationship well-being, mental and physical health in same-sex couples: A longitudinal investigation. Presented at the 1st International Conference of LGBT Psychology and Related Fields, Lisbon, PT.
34. Blair KL, Pukall CF (June 2013). The opinions of parents vs. friends in the dating decision of LGBT individuals. Presented at the 1st International Conference of LGBT Psychology and Related Fields, Lisbon, PT.
35. *Blair KL, Pukall CF (June 2013). The role of social support specifically for relationships in predicting relationship well-being and health: A longitudinal study of same-sex and mixed-sex couples. Presented at the 74th Annual Meeting of the Canadian Psychological Association (CPA) as part of a symposium entitled *Not the Usual Suspects: Unique Predictors of Relationship Satisfaction and Functioning in Diverse Relationship Types*, Quebec City, QC. Published in Canadian Psychology Annual Convention Issue Abstracts, 54: 2a, 9.
36. *Dargie E, Blair KL, Goldfinger C, Pukall CF, Brunet J (June 2013). Go long! Predictors of positive relationship outcomes for those in long distance dating relationships. Presented at the 74th Annual

Meeting of the Canadian Psychological Association (CPA) as part of a symposium entitled *Not the Usual Suspects: Unique Predictors of Relationship Satisfaction and Functioning in Diverse Relationship Types*, Quebec City, QC. Published in Canadian Psychology Annual Convention Issue Abstracts, 54: 2a, 103.

37. Goldfinger C, Pukall CF, Thibault-Gagnon S, McLean L, Chamberlain S (April 2013). Comparing the effectiveness and predictive change models of cognitive-behavioral therapy and pelvic floor rehabilitation for provoked vestibulodynia. Presented at the 38th Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Baltimore, MD.
38. *Sutton KS, Pukall CF, Chamberlain SM (February 2013). Neural processing of painful adjectives: The burning pain of provoked vestibulodynia. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), New Orleans, LA. Published in The Journal of Sexual Medicine, 2013, 10(Suppl 2): S158.
39. *Sutton KS, Pukall CF, Chamberlain SM (February 2013). Pain in the brain: Neuroimaging of women with primary and secondary provoked vestibulodynia. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), New Orleans, LA. Published in The Journal of Sexual Medicine, 2013, 10(Suppl 2): S159.
40. Coriolano K, Aiken A, Harrison M, Pukall CF, Brouwer B, Groll D (December 2012). Changes in knee pain, perceived need for surgery, physical function, and quality of life after dietary weight loss in obese women with knee osteoarthritis. Presented at the International Conference and Exhibition on Obesity and Weight Management, Philadelphia, PA.
41. Dargie E, Pukall CF (September 2012). Why does it hurt down there? Reconceptualizing provoked vestibulodynia as a neuropathic pain condition. Presented at the Annual Meeting of the Canadian Sex Research Forum, Ottawa, ON.
42. Boyer SC, Bossio JA, Ezer P, Pukall CF (September 2012). Laser Doppler imaging as a measure of female sexual arousal: Future applications. Presented at the Annual Meeting of the Canadian Sex Research Forum, Ottawa, ON.
43. *Thibault-Gagnon S, Goldfinger C, Pukall CF, Chamberlain S, McLean L (September 2012). Levator hiatus biometry and levator ani behavior in women with provoked vestibulodynia. Presented at the 37th Annual Meeting of the International Urogynecological Association (IUGA), Brisbane, AU. Published in the International Urogynecological Journal, 2012, 23(Suppl2): S65-S66.
44. Blair KL, Pukall CF (July 2012). The implications of online sexual activity for relationship well-being and sexual satisfaction: A comparison across gender and sexual orientation. Presented at the 2012 International Association of Relationship Research (IARR) Conference, Chicago, IL.
45. Blair KL, Pukall CF (July 2012). "The Tortoise and the Hare": Sexual orientation and gender differences in the duration of sexual activity within same-sex and mixed-sex relationships. Presented at the 2012 International Association of Relationship Research (IARR) Conference, Chicago, IL.
46. Smith KB, Pukall CF (May 2012). Living with provoked vulvar pain: An examination of women's and partners' sexual, relationship, and psychological functioning. Presented at the Annual Meeting of the Canadian Pain Society, Whistler, BC.
47. Thibault-Gagnon S, Goldfinger C, Chamberlain S, McLean L, Pukall CF (March 2012). Pelvic floor biometry and behavior in women with and without provoked vestibulodynia evaluated using 4D transperineal ultrasound. Presented at the J.A. Low Research Day, Faculty of Health Sciences, Queen's University, Kingston, ON.
48. Smith KB, Pukall CF (September 2011). What about the partners? An examination of sexual, relational, and psychological functioning among male partners of women with provoked vulvar pain. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Vancouver, BC.
49. McLean L, Thibault-Gagnon S, Pukall CF, Goldfinger C, Chamberlain S (July 2011). Pelvic floor muscle morphology and function in women with and without provoked vestibulodynia evaluated using 3D/4D ultrasound imaging. Presented at the Annual Meeting of the Canadian Physiotherapy

Association, Whistler, BC.

50. Thibault-Gagnon S, McLean L, Pukall CF, Goldfinger C, Chamberlain S (June 2011). Pelvic floor muscle morphology and function in women with provoked vestibulodynia evaluated using 3D/4D transperineal ultrasound imaging. Presented at the Annual Meeting of the World Confederation of Physical Therapy, Amsterdam, NL.
51. Thibault-Gagnon S, McLean L, Pukall CF, Goldfinger C, Chamberlain S (May 2011). Ultrasound imaging: A new assessment tool for evaluating and comparing pelvic floor muscle morphology in women with and without provoked vestibulodynia. Presented at the 13th Rehabilitation Research Colloquium, Queen's University, Kingston, ON. **Best presentation award*
52. Boyer SC, Chamberlain SM, Pukall CF (April 2011). Pelvic examination experiences in women with and without dyspareunia. Presented at the James A. Low Research Day (Faculty of Medicine, Department of Obstetrics & Gynecology), Queen's University, Kingston, ON.
53. Thibault-Gagnon S, McLean L, Pukall CF, Goldfinger C, Chamberlain S (April 2011). Ultrasound imaging: A new assessment tool for evaluating and comparing pelvic floor muscle morphology in women with provoked vestibulodynia. Presented at the Annual Meeting of the Ontario Physiotherapy Association, Ottawa, ON.
54. *Groll D, Aiken A, Brower B, Pukall CF, Harrison M, Coriolano K (April 2011). The relationship between percent weight lost and measures of psychological health. Presented at the 2nd National Obesity Summit, Montreal, QC. Published in The Canadian Journal of Diabetes, 2011, 35(2): 153-4.
55. *Thibault-Gagnon S, McLean L, Pukall CF, Goldfinger C, Chamberlain S (February 2011). Differences in levator hiatal dimensions and puborectalis muscle length in women with and without provoked vestibulodynia evaluated using 3D/4D transperineal ultrasound imaging. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), Scottsdale, USA. Published in The Journal of Sexual Medicine, 2011, 8(Suppl 2): S57.
56. Glazer E, Duplessis D, Karim N, Blom K, Mason R, Du Mont J, Angus J, Pukall CF, Gordon A, Einstein G (October 2010). Socio-cultural embodiment, pain, and circumcision in Somali women living in Toronto. Presented at the Women's Mental Health Conference, Toronto, ON.
57. Dargie E, Goldfinger C, Blair K, Pukall CF (September 2010). Long distance dating relationships: The role of gender and sexual orientation. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Toronto, ON.
58. Dargie E, Pukall CF (September 2010). Provoked vestibulodynia: A neuropathic pain condition? Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Toronto, ON.
59. Thibault-Gagnon S, Goldfinger C, Pukall CF, McLean L, Chamberlain S (September 2010). A randomized comparison of individual cognitive behavioural therapy and pelvic floor physical therapy in the treatment of provoked vestibulodynia. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Toronto, ON.
60. Thibault-Gagnon S, McLean L, Pukall CF, Goldfinger C, Chamberlain S (September 2010). Pelvic floor muscle anatomy and function in women with provoked vestibulodynia. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Toronto, ON. **Winner of the Brief Presentation Award*
61. Thibault-Gagnon S, McLean L, Pukall CF, Goldfinger C, Chamberlain S (August 2010). Differences in pelvic floor morphology in women with and without vestibulodynia. Presented at the Annual Congress of the International Continence Society, Toronto, ON.
62. *Blair KL & Pukall CF (June 2010). Online sexual activities and relationship satisfaction: The role of participatory context. Presented at the Canadian Psychological Association Annual Convention, Winnipeg, MB. Published in Canadian Psychology Annual Convention Issue Abstracts, 51: 2a.
63. Harrison MM, Aiken AB, Brouwer B, Pukall CF, Groll D (June 2010). Effect of a medically managed weight loss program for morbidly obese women with severe knee osteoarthritis. Presented at the Annual Meeting of the Canadian Orthopaedic Association, Edmonton, AB.

64. Boyer SC, Pukall CF, Holden RR (April 2010). The role of response bias in the concordance between physiological and subjective arousal. Presented at the 35th Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, USA.
65. *Boyer SC, Pukall CF, Chamberlain SM (February 2010). Continuous measurement of sexual arousal via laser Doppler imaging: Discrepant arousal patterns in women with provoked vestibulodynia. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), St. Petersburg, USA. Published in the Journal of Sexual Medicine, 2010, 7(supp 3): 147-8.
66. *Smith KB, Pukall CF, Chamberlain SM (February 2010). Sexual and relationship satisfaction and vestibular pain sensitivity among women with provoked vestibulodynia. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), St. Petersburg, USA. Published in the Journal of Sexual Medicine, 2010, 7(supp 3): 145. *Winner of the *New Investigator Award*.
67. Blair KL, Pukall CF (November 2009). Gender and sexual orientation differences in the frequency of online sexual activities: Implications for relationship and sexual satisfaction. Presented at the 50th Annual Meeting of the Society for the Scientific Study of Sexuality (SSSS), Puerto Vallarta, MX.
68. Gentilcore-Saulnier E, McLean L, Goldfinger C, Pukall CF (October 2009). La physiothérapie pour le traitement de la vulvodynie locale provoquée. Presented at the colloquium of "La Rééducation Périneale et Pelvienne au Canada: de la Recherche à la Pratique Clinique" at the Faculty of Medicine, School of Rehabilitation, University of Montreal, Montreal, QC.
69. Gentilcore-Saulnier E, Goldfinger C, Pukall CF, Chamberlain S, McLean L (May 2009). Physiotherapy effectiveness: Pre- and post-treatment assessment findings in women with vestibulodynia. Presented at the Annual Meeting of the Canadian Physiotherapy Association (CPA), Calgary, AB.
70. Aiken A, Harrison M, Brouwer B, Groll D, Pukall CF (May 2009). The effect of weight loss on the subsequent need for knee replacement surgery. Presented at the Joint Meeting of the Canadian Society for Epidemiology and Biostatistics and the Association of Public Health Epidemiologists in Ontario (CSEB/APHEO), Ottawa, ON.
71. *Aiken AB, Harrison M, Brouwer B, Groll D, Pukall CF (May 2009). Obesity and knee replacement surgery. Presented at the Canadian Obesity Network-National Obesity Summit, Kananaskis, AB. Abstract published in Journal of Applied Physiology Nutrition and Metabolism, 34, p. 250.
72. Taillefer SE, Smith KB, Sutton KS, Pukall CF (May 2009). How do partner responses affect pain, anxiety, and avoidance in women with provoked vestibulodynia? Presented at the 39th Annual Ontario Undergraduate Thesis Conference, Hamilton, ON.
73. Dargie E, Blair K, Goldfinger C, Pukall CF (May 2009). Sexual and relationship satisfaction, intimacy, love, and communication in long distance dating relationships. Presented at the 39th Annual Ontario Undergraduate Thesis Conference, Hamilton, ON.
74. Boyer SC, Pukall CF, Reissing ED, Chamberlain SM, Huber JD (April 2009). "Just relax": Physicians' experiences with women who are difficult to examine gynecologically. Presented at the 34th Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Arlington, VA.
75. Goldfinger C, Pukall CF, Gentilcore-Saulnier E, McLean L, Chamberlain SM (April 2009). A prospective examination of the effectiveness of pelvic floor physical therapy in treating physical and psychosexual components of provoked vestibulodynia. Presented at the 34th Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Arlington, VA.
76. Smith KB, Chamberlain SM, Boyer SC, Pukall CF (April 2009). Vestibulodynia vs. complex vulvar pain: Are varied forms of vulvodynie associated with different psychosexual effects? Presented at the 34th Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Arlington, VA.
77. Gentilcore-Saulnier E, Goldfinger C, Chamberlain SM, Pukall CF, McLean L (March 2009). Controlled study of the pelvic floor muscles in provoked vestibulodynia. Presented at J.A. Low

Research Day, Kingston, ON.

- satisfaction among same-sex and heterosexual couples: How do they compare? Presented at the 32nd Annual Meeting of the Canadian Sex Research Forum (CSRFB), Ottawa, ON.
107. Pukall CF, Sutton KS, Smith KB, Baron M, Khalifé S, Amsel R, Binik YM (April 2006). How far does the pain of vulvar vestibulitis spread? Presented at James A. Low Research Day, Department of Obstetrics & Gynecology, Queen's University, Kingston, ON.
108. Smith KB, Pukall CF, Tripp DA, Nickel JC (March 2006). Sexual, physical, and psychological health status among partners of men with chronic pelvic pain syndrome. Presented at the 31st Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Philadelphia, PA.
109. Smith KB, Pukall CF, Tripp DA, Nickel JC (March 2006). Sexual function, satisfaction, and depression among men with chronic pelvic pain syndrome. Presented at the 31st Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Philadelphia, PA. **Winner of the SSTAR 2006 SSTAR Student Research Award.*
110. Pukall CF, Strigo IA, Binik YM, Amsel R, Khalifé S, Bushnell MC (October 2005). Neural augmentation of genital sensory processing in women with vulvar vestibulitis syndrome. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Las Vegas, NV.
111. Smith KB, Pukall CF, Tripp DA, Nickel JC (October 2005). Sexual, marital, and psychological functioning of female partners of men with chronic prostatitis/chronic pelvic pain syndrome. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Las Vegas, NV.
112. Simms DC, Smith KB, Pukall CF, Tripp DA, Stechyson N (October 2005). Marital satisfaction, depression and spousal responses to pain in spouses of men with chronic pelvic pain syndrome. Presented at the Emerging Issues in Psychology Fifth Annual Conference, Department of Psychology, University of New Brunswick, Fredericton, NB.
113. Pukall CF, Strigo IA, Binik YM, Amsel R, Khalifé S, Bushnell MC (July 2005). Psychophysical and neural correlates of genital touch and pain in women with vulvar vestibulitis syndrome. Presented as part of a symposium entitled Vulvodynia: A multidisciplinary theoretical, empirical, and clinical perspective, at the World Congress of Sexology (WCS) meeting, Montreal, QC.
114. Payne KA, Thaler L, Pukall CF, Amsel R, Khalifé S, Binik YM (July 2005). The influence of sexual arousal on genital and non-genital sensation in women. Presented at the 31st Annual Meeting of the International Academy of Sex Research (IASR), Ottawa, ON.
115. Smith, KB Soryal, AK, Simms DC, Nickel JC, Pukall CF, Tripp DA (April 2005). The relationships of men with chronic prostatitis/chronic pelvic pain syndrome: A multiperspective approach. Presented at the 26th Annual Anesthesiology Research Day, Queen's University, Kingston, ON.
116. Pukall CF, Baron M, Amsel R, Khalifé S, Binik YM (October 2004). Painful tender points in women with vulvar vestibulitis syndrome: Evidence for generalized and heightened pain sensitivity. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Atlanta, GA.
117. Lahaie M-A, Binik YM, Pukall CF, Khalifé S (May 2004). Le vaginisme: Une phobie de la pénétration vaginale ou un désordre de douleur sexuelle? Presented at the 72nd annual meeting of l'Association Canadien-Francais pour l'Avancement des Sciences (ACFAS), Montreal, QC.
118. *Pukall CF, Strigo IA, Binik YM, Khalifé S, Bushnell MC (May 2004). Neural processing of genital touch and pain in women with vulvar vestibulitis syndrome: A functional magnetic resonance imaging study [abstract]. Presented at the 2nd Joint Scientific Meeting of the Canadian and American Pain Societies, May 6-9, 2004, Vancouver, BC. Abstract available in the Journal of Pain, Vol. 5, No. 3, Supplement 1.
119. Pukall CF, Strigo IA, Binik YM, Khalifé S, Kao A, Bushnell MC (October 2003). Imaging genital touch and pain in women with vulvar vestibulitis syndrome. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Amsterdam, NL. **Winner of the ISSWSH Clinical Research Award.*

120. Pukall CF, Strigo IA, Binik YM, Khalifé S, Bushnell MC (April 2003). Touch and pain sensation in women with vulvar vestibulitis syndrome: Psychophysical and neural correlates. Presented at the Philip R. Bromage Anesthesia Research Day, Montreal, QC.
121. Pukall CF, Binik YM, Khalifé S, Abbott FV, Amsel R, Kao A (November 2002). Sensory abnormalities in women with vulvar vestibulitis syndrome. Presented as part of a symposium at the Society for the Scientific Study of Sexuality (SSSS), Montreal, QC.
122. Pukall CF, Binik YM, Khalifé S. (October 2002). Vulvalgesiometer: A new instrument and method for pain measurement in vulvar vestibulitis syndrome. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Vancouver, BC.
123. Pukall CF, Binik YM, Khalifé S, Amsel R (March 2002). Measuring the pain in the sexual pain disorders. Presented at the 27th annual meeting of the Society for Sex Therapy and Research (SSTAR), Las Vegas, NV.
124. Pukall CF, Binik YM, Khalifé S, Amsel R, Abbott FV (February 2002). Vulvar vestibulitis syndrome: Sexual dysfunction or pain disorder? Presented at the 30th annual meeting of the North American Society for Psychosocial Obstetrics and Gynecology (NASPOG), Cancun, MX. **Winner of the NASPOG Student Research Award.*
125. Pukall CF, Binik YM (October 2001). Pain measurement in vulvodynia and related conditions. Presented at a symposium on vulvar pain at the annual meeting of the Female Sexual Function Forum (FSFF): New Perspectives in the Management of Female Sexual Dysfunction, Boston, MA.
126. *Pukall CF, Binik YM, Abbott FV, Khalifé S, Payne K (May 2001). Vulvar vestibulitis syndrome: Tactile and pain thresholds in affected and non-affected women [abstract]. Presented at the Canadian Pain Society (CPS) Annual Conference, Montreal, QC. Abstract available in Pain Research & Management, Vol. 6, Supplement 3, Spring 2001.
127. Pukall CF, Binik YM, Khalifé S, Abbott FV, Payne K (March 2001). Vulvar vestibulitis syndrome: Lower genital and non-genital thresholds in affected women. Presented at the 26th annual meeting of the Society for Sex Therapy and Research (SSTAR), Montreal, QC.
128. Binik YM, Pukall CF, Flory N (November 2000). Does vaginismus exist? An empirical investigation. Presented at Psychiatry Grand Rounds, Allan Memorial Institute, Royal Victoria Hospital, Montreal, QC.
129. Pukall CF, Binik YM, Khalifé S, Abbott FV (October 2000). Vestibular tactile and pain thresholds in women with vulvar vestibulitis syndrome and matched controls. Presented at the annual meeting of the Female Sexual Function Forum (FSFF): New Perspectives in the Management of Female Sexual Dysfunction, Boston, MA.
130. Pukall CF, Binik YM, Abbott FV, Khalifé S (March 2000). Vulvar vestibulitis syndrome as a pain disorder. Presented at the 25th annual meeting of the Society for Sex Therapy and Research (SSTAR), Santa Rosa, CA. **Winner of the SSTAR Student Research Award.*
131. Binik YM, Pukall CF, Reissing ED (June 1999). New research directions and data concerning the sexual pain disorders. Presented at the International Academy of Sex Research, Stonybrook, NY.
132. Pukall CF, Binik YM, Abbott FV, Khalifé S, Reissing ED (March 1999). Vulvar tactile threshold measurements in women with vulvar vestibulitis syndrome and normal controls. Presented at the 24th annual meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
133. Pukall CF, Binik YM, Khalifé S, Abbott FV (September 1998). Sensory evaluation of women with vulvar vestibulitis syndrome. Presented at the International Conference on the Pelvic Floor, Montreal, QC.
134. Bergeron S, Binik YM, Khalifé S, Pagidas K, Glazer HI, Pukall CF (March 1998). A randomized controlled comparison of vestibulectomy, electromyographic biofeedback, and group sex therapy/pain management in the treatment of dyspareunia resulting from vulvar vestibulitis. Presented at the 23rd annual meeting of the Society for Sex Therapy and Research (SSTAR), Fort Lauderdale, FL.

135. Reissing ED, Binik YM, Pukall CF (March 1998). Does vaginismus exist? Presented at the 23rd annual meeting of the Society for Sex Therapy and Research (SSTAR), Fort Lauderdale, FL.

Scientific Presentations & Published Abstracts (Poster Presentations) (*Published abstracts)

1. Bouchard KN, Pukall CF. Go with the flow: A validation study of laser Doppler imaging for continuous measurement of genital blood flow in women. Abstract accepted for presentation at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), April 2017, Montreal, QC.
2. Gauvin S, Pukall CF. Let's not talk about sex baby: Examining reasons why individuals in diverse relationships do not self-disclose their sexual preferences. Abstract accepted for presentation at the Society for Sex Therapy and Research meeting, April 2017, Montreal, QC.
3. Gauvin S, Pukall CF. We're more alike than different: An examination of similarities and differences across men and women in same-gender and mixed-gender relationships. Abstract accepted for presentation at the Society for Sex Therapy and Research meeting, April 2017, Montreal, QC.
4. Dawson SJ, Dargie EE, Sutton SS, Goldfinger C, Chamberlain S, Young R, Pukall CF. Galvanic skin response as an index of physiological pain during psychophysical testing in women with and without provoked vestibulodynia. Abstract accepted for presentation at the Society for Sex Therapy and Research meeting, April 2017, Montreal, QC.
5. Cappell J, Bossio JA, Pukall CF. Sexual body image in a sexually diverse sample of men. Abstract accepted for presentation at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), April 2017, Montreal, QC.
6. Jackowich R, Pink LR, Gordon AS, Pukall CF (February 2017). Health care experiences of women with symptoms of persistent genital arousal. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), Atlanta GA.
7. Jackowich R, Pink LR, Gordon AS, Pukall CF (February 2017). Prevalence of persistent genital arousal disorder criteria in a Canadian undergraduate student sample. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), Atlanta GA.
8. Cappell J, Bossio JA, Pukall CF (September 2016). Body image in the bedroom: Sexual body image among a sexually diverse sample of men. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Quebec City, QC.
9. Gauvin S, Pukall CF (September 2016). A little to the right... *Sigh*: Partner responding as a mediator between sexual self-disclosure and sexual well-being in same-sex and mixed-sex couples. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Quebec City, QC.
10. Gauvin S, Pukall CF (September 2016). What's in a label? Are sexual orientation, gender of partner, and sexual partner history equivalent grouping variables? Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Quebec City, QC.
11. Jackowich R, Pukall CF, Pink L, Gordon AS (September 2016). Characterizing an online sample of women with symptoms of persistent arousal and the diversity of their symptom presentations. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Quebec City, QC.
12. Jackowich R, Pukall CF, Pink L, Gordon AS (September 2016). Sexual functioning and associated distress in women with symptoms of persistent genital arousal. Presented at the Canadian Sex Research Forum (CSRF) Annual Meeting, Quebec City, QC.
13. O'Donovan MJ, McLean L, Hunter J, Pukall C, Krupa T (June 2016). What findings, on assessment of acute low back pain, do physiotherapists believe are indicators that a patient is at increased risk of persistent low back pain? Presented at the CIHR National Poster Competition, Canadian Student Health Research Forum, Winnipeg, MB.
14. O'Donovan MJ, McLean L, Hunter J, Pukall C, Krupa T (May 2016). What findings on assessment of acute low back pain do physiotherapists believe are indicators that a patient is at increased risk of

- persistent low back pain? Presented at the 18th Annual Rehabilitation Research Colloquium, McGill University, Montreal, QC.
15. Byers-Heinlein A, McCallum A, Byers ES, Pukall CF (May 2016). The proactive midwife: Ontario midwives' education, attitudes, and experience in responding to their clients' sexual health concerns. Presented at the Annual Meeting of the Association for Ontario Midwives, Niagara-on-the-Lake, ON.
 16. O'Donovan MJ, Hunter J, Pukall CF, McLean L (May 2016). Reliability of a short protocol for quantitative sensory testing in acute low back pain. Presented at the 37th Annual Meeting of the Canadian Pain Society (CPS), Vancouver, BC.
 17. Dargie E, Pukall CF, Goetsch M, Stenson A, Leclair C (April 2016). The clinical utility of the Vulvar Pain Assessment Questionnaire. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Chicago, IL.
 18. Dargie E, Pukall CF, Holden RR (April 2016). The Vulvar Pain Assessment Questionnaire battery. Presented at the Society for Sex Therapy and Research (SSTAR), Chicago, IL.
 19. Dawson SJ, Pukall CF, Dargie E, Sutton KS, Goldfinger C (October 2015). A painful experience: Examining physiological pain during psychophysical testing in women with and without provoked vestibulodynia. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
 20. Singh M, Bossio JA, Pukall CF (October 2015). The validation of laser Doppler imaging (LDI) as a novel phallometric measure of genital sexual arousal. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
 21. Bouchard KN, Huberman JS, Dawson SJ, McInnis MK, Pukall CF, Chivers ML (October 2015). Just do it: An examination of psychosexual differences among actual, hypothetical, and nonvolunteers in research. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
 22. Cappell J, Barr J, Pukall CF (October 2015). The search for the perfect vulva: Exploring women's desire for labiaplasty and ethical attitudes towards the controversial surgery. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
 23. Bossio J, Pukall CF (October 2015). When it matters, it matters a lot: The role of satisfaction with circumcision status in sexual function. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
 24. Bossio J, Pukall CF (October 2015). Circumcision status: Is it related to men's body image? Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kelowna, BC.
 25. Bossio JA, Singh M, Pukall CF (August 2015). The validation of laser Doppler imaging (LDI) as a novel phallometric measure of genital sexual arousal. Presented at the Annual Meeting of the International Academy of Sex Research (IASR), Toronto, ON.
 26. Bouchard KN, Dawson SJ, Pukall CF, Chivers ML, Shelley AJ (August 2015). Specificity and sensitivity of laser Doppler imaging for measuring genital responding in women. Presented at the Annual Meeting of the International Academy of Sex Research (IASR), Toronto, ON.
 27. Cappell J, Pukall CF (August 2015). When the pain hasn't gone away: New mothers' experiences of persistent genito-pelvic postpartum pain and implications for psychosocial and sexual function. Presented at the Annual Meeting of the International Academy of Sex Research (IASR), Toronto, ON.
 28. Brooks KCL, Thibault-Gagnon S, Goldfinger C, Pukall CF, Chamberlain SM, McLean L (June 2015). Women with provoked vestibulodynia demonstrate differences in resting pelvic floor morphometry compared to asymptomatic controls. Presented at the 18th Annual Health Sciences Research Trainees Day, Queen's University, Kingston ON. *Winner of the Best Poster Award
 29. Shelley AJ, Bouchard KN, Dawson SJ, Pukall CF (May 2015). Examining the validity of the laser Doppler imager and the litmus test strip: New measurement devices in sex research. Presented at the

- 45th Ontario Psychology Undergraduate Thesis Conference, London ON.
30. Singh M, Bossio JA, Pukall CF (May 2015). The validation of laser Doppler imaging as a measure of male genital sexual arousal. Presented at the 45th Ontario Psychology Undergraduate Thesis Conference, May 2015, London ON.
 31. Coriolano K, Harrison M, Aiken A, Pukall CF (April 2015). Measurement of isokinetic quadriceps muscle strength and pain in obese and non-obese individuals with knee osteoarthritis. Presented at the 3rd World Congress on Controversies, Debate, and Consensus in Bone, Muscle, and Joint Diseases (BMJD), Montreal, QC.
 32. Bossio JA, Pukall CF (March 2015). Physiological differences in men based on circumcision status: Implications for sexual functioning. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA. **Winner of the Best Empirical Poster Award*
 33. Boyer SC, Pukall CF (March 2015). Beyond the bedroom: Pain-related beliefs, health care experiences, and psychosocial function in women with vulvovaginal pain. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
 34. Bouchard KN, Pukall CF, Boyer SC, Stewart JG, Waxman SE, Flamenbaum R, Holden RR (March 2015). Put what, where? The effects of physical invasiveness on willingness to participate in sexuality research. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
 35. Cappell J, Pukall CF (March 2015). A closer look at the relationship between postpartum depression and postpartum sexual function: The role of relationship satisfaction and fatigue. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
 36. Dargie E, Pukall CF (March 2015). Introducing: The Vulvar Pain Assessment Questionnaire. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA. **Winner of the 2015 SSTAR Student Poster Award*
 37. Dargie E, Pukall CF, Chamberlain S (March 2015). When words aren't enough: The relationship between self-reported vulvar pain and pain induced in a research setting. Presented at the Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA. **Winner of the 2015 SSTAR Voter's Choice Poster Award*
 38. *Bosma RL, Mojarad E, Leung L, Pukall CF, Staud R, Stroman PW (November 2014). Pain facilitation in the spinal cord and brainstem of patients with fibromyalgia syndrome: An fMRI study. Presented at the Annual Meeting of the Society for Neuroscience (SfN), Washington, DC. Abstract published as Program No. 243.13/EE17, Neuroscience Meeting Planner, online.
 39. Blair KL, Pukall CF (October 2014). Family matters, but sometimes chosen family matters more: Decision making in same-sex and mixed sex couples in the face of social network disapproval. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
 40. Tong C, Pukall CF, Hutchings G, Jeske N (October 2014). Living apart together: Beyond surveys and qualitative data – A research proposal. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
 41. Cappell J, Pukall CF, Chamberlain SM (October 2014). Experiences in persistent postpartum pain in a sample of new mothers: Implications for sexual function. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
 42. Cappell J, Pukall CF, Chamberlain SM (October 2014). The role of psychosocial factors in postpartum sexuality. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
 43. Bossio JA, Pukall CF, Bartley K (October 2014). The impact of male circumcision on sexual partners of men. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Kingston, ON.
 44. *Nguyen RHN, Pukall CF, Rydell SA, Harlow BL (May 2014). Reduced vulvar pain tolerance in the presence of comorbid pain among women with vulvodinia. Presented at the 33rd Annual

- Meeting of the American Pain Society (APS), Tampa, FL. Published in *The Journal of Pain*, S34, B18, 232.
45. Coriolano K, Aiken A, Pukall CF, Harrison MM (April 2014). The level of association between physical activity and self-report disability in obese and non-obese individuals with knee osteoarthritis. Presented at the Annual Meeting of the World Congress on Osteoarthritis, Paris, FR.
 46. Coriolano K, Aiken A, Pukall CF, Harrison MM (April 2014). In order to explain knee osteoarthritis, should we start looking for answers outside of the knee joint? Presented at the Annual Meeting of the World Congress on Osteoarthritis, Paris, FR.
 47. Cappell J, Chamberlain S, Pukall CF (April 2014). You, me, and baby makes three: The role of physical, social, and relationship variables on women's postpartum sexuality. Presented at the J.A. Low Research Day, Kingston, ON. **Winner of the Best Poster Presentation Award.*
 48. Dargie EE, Cappell J, Pukall CF, Blair KL (February 2014). When sex hurts: Treatment for vulvar pain. Presented at the GLMA & Lesbian Health Fund LGBTQ Health and Relationships Seminar at Sea (MA Westerdam), Fort Lauderdale, FL.
 49. Cappell J, Dargie EE, Pukall CF, Blair KL (February 2014). When sex hurts: What is vulvar pain? Presented at the GLMA & Lesbian Health Fund LGBTQ Health and Relationships Seminar at Sea (MA Westerdam), Fort Lauderdale, FL.
 50. Blair KL, Cappell J, Pukall CF, Smith KB (February 2014). When sex hurts: Characteristics of vulvar pain in women. Presented at the GLMA & Lesbian Health Fund LGBTQ Health and Relationships Seminar at Sea (MA Westerdam), Fort Lauderdale, FL.
 51. Blair KL, Dargie E, Pukall CF (October 2013). Social support, relationship well-being, and health among trans spectrum identities. Presented at the Annual Meeting of the Canadian Sex Research Forum (CSRF), Charlottetown, PE.
