APPLIED LITERARY TRANSLATION PROGRAM
Dalkey Archive Press

Dalkey Archive Press now invites applications for the summer session of its

Applied Literary Translation Program

A unique program that provides one-on-one weekly meetings with an editor, leading to the publication by Dalkey Archive Press of participants’ first book-length translation. To date, over fifty participants have had, or soon will have, their translations published. In addition to translation work, the program will provide exposure to rights acquisitions, best methods for working with authors, translator contracts, and the role of translators in gaining publicity for their translations.

WHEN

June–August 2019, though start to end dates are flexible

WHO

Emerging translators of any age who are prepared to undertake their first book-length translation but who are still in need of working with a professional editor. Both native English speakers and those from the language of origin are welcome to apply. The program has demonstrated that non-native speakers have produced outstanding translations while working closely with an editor.

APPLICATIONS

The deadline for applying is March 31, 2019.
Only five applicants will be accepted into the program.

Required documents: resume, in addition to a cover letter, and at least one sample translation of 5–10 pages.

To apply, send these in an email entitled “Applied Literary Translation Program” addressed to John O’Brien, obrien@dalkeyarchive.com

FEES

$5,500, much or all of which will be reimbursed through payment for the published translation. This fee is used to help defray the approximate $20,000 cost of publication and the honorarium paid to the editor.
Dental Clinic Service Learning Trip
May 18-26, 2019
Lima, Peru

Minimum of 10 participants
Maximum of 20 participants

Dental Clinic is a week-long Service Learning Trip that allows students interested in dentistry to work hand in hand with local professionals supporting a Mobile Dental Clinic. The clinic, and the involvement of the students on the trip, will provide necessary dental treatment to communities living in the remote areas outside of Lima, Peru.

Highlights of the Dental Clinic SLT:
- Shadow dental professionals at our MED Vida Dental Clinic
- Participate in didactic workshops for hands-on learning
- Put on a Dental Mobile Clinic to provide high-quality dental services to low-income communities
- Support local dentists as they execute services such as fillings, extractions, prophylaxis, and dental education
- Empower yourself and locals to cultivate change by working together
- Personally connect with the communities that MEDLIF supports
- Understand the realities of extreme poverty first hand
