Dear students – we hope you are enjoying a good Summer! This newsletter highlights some open houses and symposiums and includes a call for a volunteer research assistant. Don't forget to check out the QUIP info session today if you are interested in completing a full year paid internship next year!

Important Dates

- June 21: Summer Term classes (May-June/6W1 Session) end
- July 1: Canada Day (no classes)
- July 2: Last date to drop Summer Term classes (May-July/12W Session) without academic penalty

QUIP INFORMATION SESSION - June 8 @5:30pm

Interested in taking a year away from your academic studies to complete a 12-16 month, full-time, paid internship? Employers are hiring for September 2021 and are looking for Arts and Science students! Come join us Tuesday, June 8th from 5:30-6:30PM at our QUIP Internship Information Session to learn more. Link to register found on MyCareer.

Curious to know more about QUIP and the industries we work with? Visit us online here and check out our Become an Intern brochure. Postings available now include:
2. Geotab is looking to hire interns for the following two roles: Customer Relations/Care Intern and Project Management Intern for September 2021
3. And more!

To see how QUIP fits into your degree plan and connects with skills you are learning in your degree- Check out your Arts and Science Major Map.

HUMBER RIVER HOSPITAL - Call for volunteer research assistant

NOTE: THIS IS A VOLUNTEER UNPAID ROLE TO ASSIST WITH RESEARCH
Humber River Hospital is looking for a summer research intern to assist with research data collection, scheduling and conducting interviews and analyzing data.

The ideal candidate would be:
1. An undergraduate or graduate student within a health science or psychology program
2. Passionate about research and data analysis, particularly community-based health research
3. Excellent interpersonal skills
4. A leader in your community

This position will provide students with the chance to build their research, leadership, networking and organization skills. At the present moment, this opportunity is a volunteer/unpaid part-time summer role with flexible hours and the opportunity to return to the team in the fall.

For any inquiries/questions, please feel free to e-mail Nadine Akbar, nakbar@hrh.ca.

All applicants can directly apply with a resume/ CV with attention to Ida Grisoni, e-mailed to studentplacement@hrh.ca and e-mail subject line: “SUMMER 2021 RESEARCH APPLICATION”.

The deadline is June 17.

**WAYNE STATE UNIVERSITY- GRADUATE OPEN HOUSE**

2021 Graduate Open House: Master of Public Administration | Graduate Certificate in Nonprofit Management

Are you ready to start or advance your career in public administration, nonprofit management, and public policy? Please join us for Wayne State University’s Open House for the Graduate Programs in Public Administration and Nonprofit Management on Thursday, June 10, 2021 at 6 pm.

Wayne State University’s MPA Program offers professional training for a wide variety of public service careers. Career placements include: local, state, and federal agencies; nonprofit organizations; and policy analysis and legislative staff positions. The MPA program is nationally accredited and is the oldest in the state of Michigan.

Graduate Certificate in Nonprofit Management is designed to support a variety of nonprofit management and policy careers, and those working or aspiring to build a career in philanthropic organizations.

Graduate students who are residents of Fulton, Lucas, Ottawa and Williams counties in Ohio, or residents of Ontario, Canada are eligible for resident tuition rates.

This event will give you the opportunity to explore the Master of Public Administration and Graduate Certificate in Nonprofit Management programs; meet with faculty, current students, and alumni; and learn about classes and financial support.

Please RSVP for the event at: https://rsvp.wayne.edu/mpa-gcnpm-open-house.
