Dear PSYC students – we hope you are having a good summer!

As we are nearing registration for the next academic year, we want to connect with you!

All PSYC Plan students should by now have received emails from the PSYC Undergraduate Office about course registration for next year. Please read everything carefully and ask us questions, if you have any. We are here and happy to help!

**IMPORTANT:** If you have not heard from us, please send an email to ug.psyc@queensu.ca!

This newsletter contains time table and registration information, a call for applications for the PSYC EDI committee and Pathy Fellowship information.

Should you have any questions at all, please reach out! The Arts & Science Faculty Office can answer all questions related to registration – 613–533–2470 or asc.registration@queensu.ca.

As we transition back to campus, in **Fall 2021** you will find *three* modes of delivery for courses: *in person, remote* (these are courses that are typically held on campus but that are being held online to promote degree progression, many of these courses have synchronous sessions), and *undergraduate online* (ASO) (these are courses that are regularly offered as part of our online course options). 
In **Winter 2022**, the majority of courses will be on-campus with some undergraduate online (ASO) courses.

**Calls for the PSYC EDI committee**

**Undergrad members for the Psychology EDI Committee**
The Psychology Equity, Diversity, and Inclusion (EDI) Committee includes two undergraduate members, and we are soliciting names of those who might be interested in sitting on the committee.
The commitment include a 1.5 hour meeting once/month from September-April plus 1-2 hours committee work/week (though often/usually less); we hope undergraduate members could sit on the committee from July-June but understand that summer months can pose a barrier for undergrads so these are optional.
If you are interested, please email Suzanne DeSousa at [psyc.office@queensu.ca](mailto:psyc.office@queensu.ca) who will send you the committee's goals, policies, and group rules. In that email, or after you get that information, please email the following to the same (Suzanne DeSousa at [psyc.office@queensu.ca](mailto:psyc.office@queensu.ca)):

a. One paragraph or so indicating your:
   i. Interest in the EDI committee;
ii. Expertise and experience with EDI topics/issues/communities including research, coursework, community involvement, activism, and/or lived experience;

iii. Availability to attend meetings (at least 1.5 hours a month) and current/planned schedule of classes and extra-curricular activities;

iv. Ability to put in 1-2 hours of work per week on committee work (though usually less);

b. Your resume.

Please note that applications are due by end of day **Friday, July 30th, 2021.**
