**CPA Call for Student Mentee Applications**
Dear Undergraduate Students,
The Canadian Psychological Association, Section for Students in Psychology, is launching the seventh edition of its Mentorship Program to promote leadership and mentorship among student affiliates. Graduate students will provide mentorship in the form of guidance, advice, information, and support to undergraduate students looking for direction within the domain of psychology. This is a great opportunity if you want to discuss new opportunities for the future or if you have questions related to applying to graduate school or for fellowships.

For French-speaking students: We are happy to announce that all program materials (application forms, manuals, logs) are now available in French. We will also do our best to pair French-speaking students together to facilitate access to this program for both English and French-speaking students.

Visit our website for more information about the application process (with the application forms): http://www.cpa.ca/students/mentorship
The deadline to submit your application materials is August 31, 2021. Please submit all materials (instructions on the website) to: chairelect.cpastudentsection@gmail.com. You may also contact Linnea Kalchos, the CPA Mentorship Program Coordinator at this same e-mail address.

**CPD LAB LOOKING FOR PSYC 299 students**

The Cognition in Psychological Disorders lab is looking for students who would like to complete PSYC299 (directed lab course) in the lab.

Check out the lab on this site https://www.cpdlab.ca/ and complete the online application, if you are interested. The deadline is August 30th.

**JOIN THE BISC THIS YEAR!**

Looking to get out and add a more worldly perspective to your studies? A term at the Bader International Study Centre (BISC), Queen’s UK Castle campus, is the opportunity for you! Enjoy the BISC’s small class sizes, close contact with professors, research opportunities, and experiential learning in the BISC’s Winter General, Winter Psychology Cluster or Castle Summer+ program.

Looking for engaging electives? The BISC’s online courses **BISC 100/3.0 Thinking Locally (Fall)** & **BISC 101/3.0 Acting Globally (Winter)** tie into a number of degree plans and examine global issues from national and international perspectives.
Interested? Get a sneak peek at BISC 100 & 101 here. Applications are open now for the BISC’s Winter and Summer 2022 programs! For BISC 100 and BISC 101 online, enroll in SOLUS by changing the campus to “Bader International Study Ctr”, no application required. Learn More

If you have questions about the Castle, or application process, contact castle@queensu.ca.

**Calls for the PSYC EDI committee**

**Undergrad members for the Psychology EDI Committee**

The Psychology Equity, Diversity, and Inclusion (EDI) Committee includes two undergraduate members, and we are soliciting names of those who might be interested in sitting on the committee.

The commitment include a 1.5 hour meeting once/month from September-April plus 1-2 hours committee work/week (though often/usually less); we hope undergraduate members could sit on the committee from July-June but understand that summer months can pose a barrier for undergrads so these are optional.

If you are interested, please email Suzanne DeSousa at psyc.office@queensu.ca who will send you the committee’s goals, policies, and group rules. In that email, or after you get that information, please email the following to the same (Suzanne DeSousa at psyc.office@queensu.ca):

a. One paragraph or so indicating your:
   i. Interest in the EDI committee;
   ii. Expertise and experience with EDI topics/issues/communities including research, coursework, community involvement, activism, and/or lived experience;
   iii. Availability to attend meetings (at least 1.5 hours a month) and current/planned schedule of classes and extra-curricular activities;
   iv. Ability to put in 1-2 hours of work per week on committee work (though usually less);

b. Your resume.

---

**Book your academic advising appointment here**

For questions on careers/grad school, please email ug-psyc@queensu.ca to set up a meeting with Dr Norris.
