University Research Services Deadlines:

i. 6 January - Notice of Intent to Apply (please email diane.davies@queensu.ca stating you intend to apply)

ii. 20 January - Administrative Review (submit application via Research Portal) & TRAQ Awards Form Submitted

Please Note: Faculties and departments may have earlier deadlines which will be communicated through those channels.

FUNDING DESCRIPTION

Emerging scholars: This funding supports high-quality research projects by emerging scholars to develop new research questions and/or approaches. Such projects may build on and further the applicant’s (or team’s) graduate work and/or represent a continuation of their overall research trajectory.

Established scholars: Funding for established scholars provides support to explore new research questions and/or approaches that are distinct from the applicant’s previous/ongoing research. Research projects should be clearly delimited and in the early stages of the research process. Insight Development Grant funding is not intended to support ongoing research for established scholars.

Detailed information is available to applicants preparing an IDG research-creation application. Also see the University Research Services Insight Development Grant page for application resources.

COMMON CV

Applicants and co-applicants are encouraged to complete their CCV as soon as possible. Applicants should expect that creating a CCV for the first time will require a significant time investment.

NEW THIS YEAR

- Improved Canadian Common CV (CCV) sections, subsections and fields (see list of changes in the SSHRC CCV instructions).
- Revised Terms and Conditions of Applying for Applicants and Co-Applicants.
- New joint initiative with the Department of National Defense.
- Updated instructions for Aboriginal Research.
- Revised instructions for Funds Requested from SSHRC Module.
- Updated definition of an Emerging Scholar and of the Scholar Type section.

SSHRC INSIGHT DEVELOPMENT GRANT WEBINARS

SSHRC will be holding webinars on the Insight Development Grants competition: one general session and one focused on research-creation. You do not need to register in advance.

The webinars will be held via Adobe Connect (for the visual presentation and written questions only. No audio.) and teleconference (for the audio) on the following dates:
