Looking for a New Opportunity this Summer?

Apply for the 2019 USSRF Program!

The Undergraduate Student Summer Research Fellowships (USSRF) provides an opportunity for any continuing undergraduate students at Queen’s to develop their research skills under the guidance of a faculty researcher. Over the course of the summer, students will develop a research project in social sciences, humanities, or creative arts. Students may consider projects in disciplines outside of their own field of study or outside of their focus study areas, as well as those directly connected to their prime area of study.

The application deadline is 4:00pm EST, Friday March 1, 2019.
