Queen’s Psychiatry Lab Talks is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.

Learning Objectives: At the end of this presentation, participants will be able to:

1. learn about setting up a multi-site study in a middle income country.
2. learn the data about self-reported physical health issues that will be interesting for the participants.

Please RSVP to Susan Beck at becks@providencecare.ca A light lunch will be provided
