Tri-Awards Nominations are Open!!

It’s that time of year again, the nomination form for our annual Tri-awards is officially open.

Each year, the Human Rights and Equity Office acknowledges the efforts and progress of faculty, staff and students who create a positive impact on the University community in the areas of Human Rights, Employment Equity and Accessibility. Any member of the Queen's community including students, staff, faculty or alumni as well as members of the general Kingston community who have an interest in Queen's University may submit nominations.

We know great things are happening at Queen’s and here is your chance to have an individual, group or initiative recognized for their outstanding contributions to the University.
