

**Tuition and Fees 2025-26
Smith School of Business**

Please note that The Board of Trustees reserves the right to make changes, without notice, in the scale of fees. If fee changes are approved after publication deadlines, every effort will be made to notify students affected. However, lack of notification does not exempt a student from paying the appropriate fee. Normally, fee increases, if applicable, become effective May 1st each year. Acceptance of fee payment does not necessarily imply acceptance of registration

The University Health Insurance Plan (UHIP) is applied at the single rate to all International Students. Coverage for dependent family members who will be in Canada with you is mandatory at an additional cost. Visit <http://quic.queensu.ca/incoming/uhip.asp> for more information.
