

Tuition and Fees 2023-24

International Students - Undergraduate and Professional Programs

Please note that The Board of Trustees reserves the right to make changes, without notice, in the scale of fees. If fee changes are approved after publication deadlines, every effort will be made to notify students affected. However, lack of notification does not exempt a student from paying the appropriate fee. Normally, fee increases, if applicable, become effective May 1st each year. Acceptance of fee payment does not necessarily imply acceptance of registration.
