1. Students taking more than the normal full load of courses pay additional fees (see [How Tuition Fees are Assessed](#)).
2. Students registering in two programs simultaneously must pay tuition and SAL fees for both programs plus one Student Activity Fee.
3. Student in the School of Computing, add \$10.00 to this fee. Students in Concurrent Education, add \$16.00 to this fee. See section on [Undergraduate Student Activity Fees](#) for details.
4. See section on [Graduate and Professional Student Activity Fees](#) for details.
5. All students are assessed a Student Assistance Levy (\$10 per half credit or equivalent fee weight as seen in [How Tuition Fees are Assessed](#)).
6. Students registering in spring/summer courses and/or placements are assessed *additional* tuition charges, which are determined in March 2010.
7. Faculty of Engineering and Applied Science Students who are studying out of sequence in the programs should seek advice from the Office of the University Registrar's office on what the fee implications will be. Students registered in one term only will be assessed to a maximum of 50% of the FW program fee, but any registrations in the succeeding term will automatically invoke the 100% of the maximum FW program fee.
