Registration and Fees: The Basics

Before you begin, you will need to take care of the basics:

NetID: Your NetID is your passport to student online services at Queen’s, from your student email to the SOLUS Student Centre. Without it, you will be unable to access services, so securing your NetID is the first step. You should already have your Queen’s NetID and password, as you used it to submit your Personal Statement of Experience. Questions about NetID or password? Contact Information Technology Services at Queen’s: <https://www.queensu.ca/its/getting-started/students>

MyQueensU Portal: The MyQueensU Portal functions as a personal ‘home page’ for students. After logging in to the Portal with your NetID and password, you will be able to access your Queen’s email account and enter the SOLUS Student Centre. You will also be able to access the Message Centre, where important notices will be posted. The MyQueensU Portal is located at <https://my.queensu.ca/>

Email: Queen’s will now communicate with you through your official Queen’s email account. To access your email account, log in to outlook.com/queensu.ca using your Queen’s NetID. If you have problems, please contact ITS Services Help & Support: <http://www.queensu.ca/its/help-support>

Please note if you have a learning disability or attention deficit/hyperactivity disorder, you will need to send in your most recent psycho-educational assessment as early as possible, so that advising staff can review it in advance of your appointment. Access to Your Personal Information on SOLUS

If you would like the University to release financial and/or academic information to an individual (including a parent, or to an agency external to the University) you must complete an authorization through SOLUS Student Centre (<https://www.queensu.ca/registrar/resources/solus-help>). This authorization will stay in effect until you choose to cancel it.

As you manage your personal information on SOLUS, please be aware that the collection and use of this information by Queen's is governed both by law (the Ontario Freedom of Information and Protection of Privacy Act, or FIPPA) and by the policies approved by the University Senate:

www.queensu.ca/secretariat/senate/resources-chairs-and-secretaries/freedom-information-and-protection-privacy-act

Please note: The University relies on the information listed under 'PRIMARY ADDRESS' and 'EMERGENCY CONTACT INFORMATION' in your SOLUS profile. If this is missing or out of date, we will not be able to contact you or your emergency contacts. Please ensure that you keep this information current.

GOOD HABITS!
