PHOTO ID AND VALIDATION OF STUDENT CARDS FOR SUMMER 2022

PHOTO ID STUDENT CARDS

Beginning mid-April, validated photo ID student cards will be mailed to all new students. You must be enrolled in your course(s) before your card can be mailed.

Please watch for an email at your @queensu.ca email account letting you know when your activity guide will be available in SOLUS so you may upload your photos. In order to mail student cards and verify each student, we will require a government issued photo, as well as the photo to be used to produce your student card. The government issued photo will be deleted and not kept on file.

Please ensure your primary address is updated in SOLUS no later than April 15th to wherever you will be receiving your mail while enrolled for summer term.
