COVID - Update

Update on [indoor dining regulations in Ontario](#)

- No additional sector guidelines received to date. Still a distance 2 m outside instructional spaces required. Indoor dining rules will apply to us. 2 options available to us as outlined in attached link. Bringing back more table space. Will require someone checking vaccine status for any indoor dining onsite. All people using a dining establishment MUST be vaccinated. Likely will use the gym as a dining space and share resources of the library to manage this. Tables would need to be set up/taken down & other operational needs.

Inspection Reports

Standing report from Faculty Safety officer on progress of inspection recommendations.

1. **Grad lounge abatement** - Black mold found, abated, removed 2ft of drywall in grad lounge, it's probably all done now
 2. **B203 abatement** - is all cleaned out and ceiling to be replaced.
- Site inspection will occur on Nov 2nd. Kate Fazackerley will attend with Chris.

Chemical Storage Area

[Report/request](#) received September 15, 2021 and responded to September 22, 2021 regarding chemical storage working area conditions.

Discussion of group that we proceed to abate this area and get it done. Item #2 Sinks - currently covered with a piece of paper/tape. Suggestions around removal of sinks; turn off taps; place an Out of order sign

1. Peeling lead paint
2. Chemical storage cabinet maintenance
3. Request for information regarding safety training required for the position
4. Safe disposal of equipment and material

Updated Membership

Appendix A

Additional information

- Gender neutral bathroom on 2nd floor appears to have no hot water
- Tables that are flipped over under overhangs will be removed as soon as manpower allows

Appendix A - Committee still looking to fill the QUFA position.
