Respirator fit test date: _____
 Tester: _____ Qualitative test type: Saccharine / Bitrix
 Respirator type: disposable _____ / ½ face with cartridges / full face with cartridges
 Make: _____ Model: _____ Size: _____

I attest that I have been fit tested and trained on the use of the respirator listed above. I had an opportunity to ask questions and have had them answered to my satisfaction. I understand and will comply with the following (cross out if not applicable):

- I have read and understood SOP-Lab-05 on Respiratory Protection
- What type of hazard this respirator will protect me against when used properly.
- How to properly don this respirator, including testing for fit each time (must be clean shaven).
- How to properly doff this respirator and wash hands after storing or disposing the respirator as appropriate.
- How to clean, maintain, and store a reusable respirator (1/2 face or full face).
- When I should change the cartridges on a reusable respirator and how to dispose of them.
- How to dispose of a disposable respirator when it becomes wet, after wearing for 8 hours, or when I remove it for any reason (whichever comes first).
- That I should return to be retested within 2 years of this test or sooner if I experience a greater than 10% change in my body weight; a change in face shape for any reason (e.g. due to an accident or dental work); or significant acne or facial scarring that may affect the fit of this respirator.
