[Queen's Faculty of Education](#) is hosting **Geography: The science of where**. Join us as we welcome **Ocean, Freshwater, and Us**, the [Ocean Week Canada](#) giant floor map in collaboration with the Canadian Ocean Literacy Coalition and [Canadian Geographic Education](#)

Did you know that 2021-2030 marks the United Nations (UN) Ocean Decade?

2021-2030 marks the United Nations Decade of Ocean Science for Sustainable Development. The 'Ocean Decade' provides an opportunity and common framework for the global community to work together to transform ocean-climate knowledge into action while ensuring the sustainable and equitable use, management, and conservation of the ocean for current and future generations.

Want to learn more about the ocean and the waterways that connect us? Want to learn more about our Oceans and how to protect them? Ready to make a difference? Check out this link <https://oceanweekcan.ca/learning-hub/> for amazing ways / actions you can take to have a positive impact on the ocean. Enjoy exploring and learning about our oceans and how you can help!

*"Welcome to the Learning Hub! We've curated some fantastic resources to help you celebrate the ocean. Whether you're an educator, an artist, or an ocean enthusiast in general, you'll find lots of ideas on how you can deepen your knowledge, connect with others, and take action. Start with getting inspired by stories from coastal communities and Indigenous Water Guardians. Immerse yourself in Ocean, Freshwater, and Us **giant floor map**, dive into one of our **curated toolkits**, or get involved by volunteering your time as a community scientist or engaging in a campaign!*

We need you and everyone to make a difference for the ocean!" **Join us on the giant floor map May 13/23!**

Ocean, Freshwater, and Us

giant floor map and augmented reality app

THE MAP

This giant map is made for walking on, and for both indoor and outdoor use. It's huge: the full map is 8m x 11m!

Explore watersheds, water flow, and Marine Protected Areas across Canada.

www.oceanweekcan.ca/learning-hub/map

THE APP

Through augmented reality, explore ocean and freshwaters in Canada. Learn from Indigenous Water Guardians and coastal communities. Take a 360 dive with keystone species and build connections.
