

Do you want to learn how to make your own robotic hand?

Check out this video that will show you how to make your own robotic hand with some craft supplies!

Want to learn more about what we do?

scan the QR code below to find out!

Can you solve this?

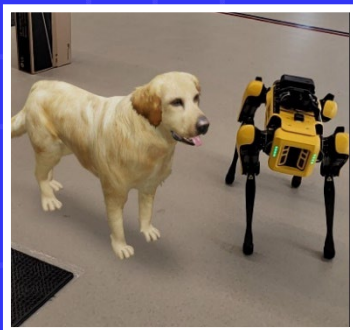

$$\text{Wrench} + \text{Wrench} + \text{Wrench} = 6 \quad \text{Wrench} = \underline{\quad}$$

$$\text{Gear} + \text{Wrench} + \text{Screw} = 10 \quad \text{Screw} = \underline{\quad}$$

$$\text{Wrench} + \text{Screw} + \text{Gear} = 9 \quad \text{Gear} = \underline{\quad}$$

Which of these dogs are real?

None! One is robot named Spot, the other is an Augmented Reality Dog.

Do you want to see a VR animal at your home?

Grab a cell phone and follow these instructions from Google. You could see a hedgehog or a snake or a dog hang out with you while you do homework.
