

LUNG CRAFT INSTRUCTIONS

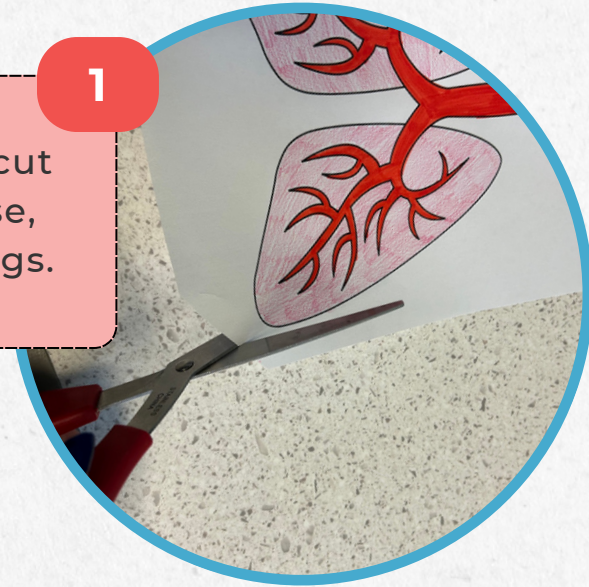

For this craft, you will need:

- Nose, lips, and lung colouring sheet ([Download the PDF](#))
- Colouring supplies
- Scissors
- Two bendy straws
- Two sandwich bags
- Tape

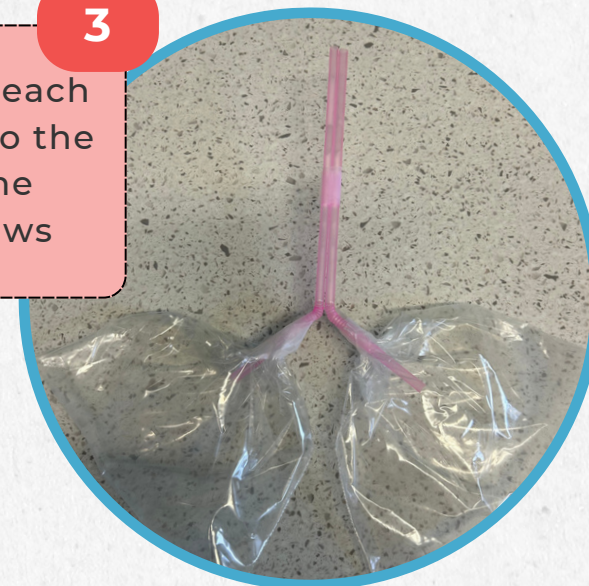

2

Tape together both of your straws, with the bendy parts facing outwards

1

Colour and cut out the nose, lips, and lungs.

3

Tightly tape each of the bags to the ends of the bendy straws

4

Tape on the nose, lips, and lungs. Your lungs are ready to be used!

Blow into the straws and watch your lungs expand and compress!
