

One of these things is different from the others.
Which is it? Why?

Did you know?
All squares are rectangles
but not all rectangles are
squares!

Kingston Counts

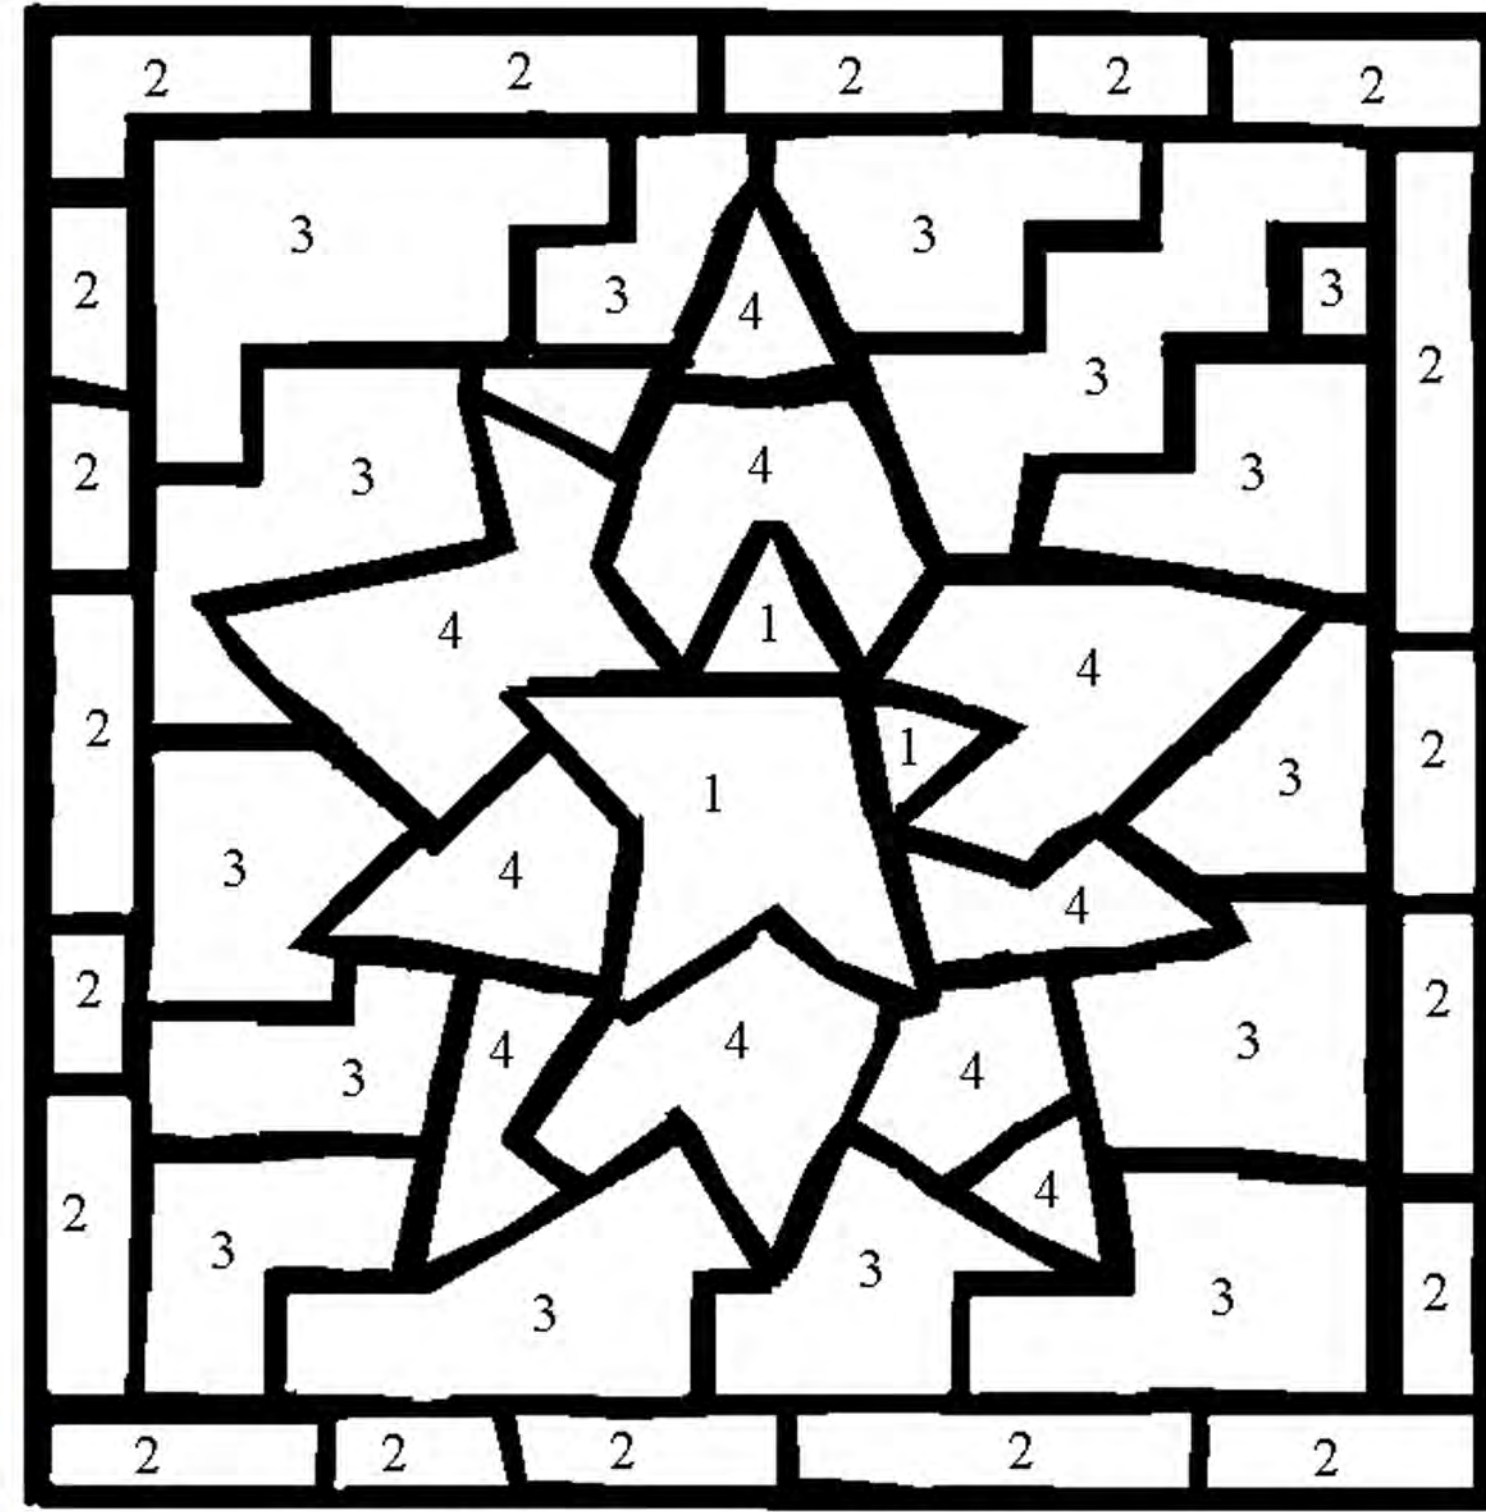

Marsha Magician's Wand

What do you know that is almost as long as Marsha's wand?

When do giraffes have 8 feet?
When there are two of them!

1 = Yellow
2 = Orange
3 = Blue
4 = Purple

Colour in the picture above using the numbers as a guide.
