

*Jess and I chose to make Queen's part of our legacy and take action to help students reach their educational goals. Completing my undergrad at Queen's was a transformational experience. Years later, I can still remember how much every bursary helped. We believe that no talented person should be held back simply due to lack of financial means. Education has been the best investment Jess and I have made and it is our honour and privilege to give back to the Queen's community.*
