Awards and Honours

Queen's Prizes for Excellence in Research

Drs. Wendy Craig (Psychology) and Martin Duncan (Physics, Engineering Physics and Astronomy) are the 2009 winners of the Queen's Prizes for Excellence in Research. These \$5,000 awards are given in recognition of outstanding research contributions while the scholar is at Queen's. The prizes were presented at Queen's convocation ceremonies in October 2009. Professors Craig and Duncan presented public lectures on Tuesday, February 9, 2010. Dr. Craig's topic was *"Preventing Bullying – Are we doing enough?"* and Dr. Duncan's lecture was called *"Planets in Chaos"*.

Research Funding

Natural Sciences and Engineering Research Council of Canada (NSERC)

Collaborative Research and Development Grants

- Dr. Stephen Brown (Chemistry) received \$447,778 over three years for his project entitled *"Development of microbiological testing technology for drinking water"*.
- Dr. Simon Hesp (Chemistry) received \$240,000 over three years for his project entitled *"Chemical aging of asphalt cement"*.
