Submitted by Senator Berkok

7. Question regarding short-term mental health initiatives.

We're all well aware of the increased pressure on mental health services on campus. There's been a lot of positive conversation about how to restructure our system in the future to best support students; however, as we come up to the second anniversary of the beginning of this conversation, what steps are being taken **this year** to bolster mental health resources until long-term solutions are in place?
