- 1 Queen's University (the "University" or "Queen's") is dedicated to learning, intellectual inquiry, the dissemination and advancement of knowledge, personal and professional development, and good citizenship.
- 2 Students are responsible individuals and members of society with rights and responsibilities as learners and citizens in the communities in which they learn and live.
- 3 Students are expected to adhere to and promote the University's core values of honesty, trust, fairness, respect and personal responsibility in all aspects of University life, academic and non-academic. It is these core values that are intended to inform and guide Student conduct as they foster mutual respect for the dignity, property, rights and well-being of others.
- 4 The University values integrity, inclusiveness and teamwork. To this end, the University is committed to providing developmental and educational opportunities in response to student conduct issues when appropriate. The University is a place for Student growth and development. The non-academic misconduct system at Queen's ("NAM System") is part of that broader learning environment.
- 5 The principles of education, well-being of students, the safety and well-being of the university community, deterrence, restitution, and where appropriate, Restorative Justice, will guide decision-makers within the NAM System.
- 6 This Student Code of Conduct ("Code") outlines the kinds of activities and behaviours that constitute non-academic Student misconduct and associated sanctions.

Queen's University Student Code of Conduct is a Behavioural Contract

- 1** Upon registering in a course or program of study offered by or through Queen's University and while a Student remains registered in any course or program of study at Queen's, every Student enters into a contractual relationship with the University by which they:
 - a** acknowledge the right of the University to set standards of conduct;
 - b** accept and agree to be subject to the University's policies, rules and procedures, including this Code of Conduct; and,
 - c** accept the right of the University and/or its Authorized Agent(s) to impose sanctions for conduct found to have violated those standards, policies, rules or procedures.

- 1 **Authorized Agents** means an entity or organization authorized by formal written agreement with the University to administer, on behalf of the University, the non-academic misconduct cases referred to it by the NAM Intake Office.
- 2 **Diversions Process** means the process by which a case of non-academic misconduct may be diverted to an alternate University process that is determined to be more appropriate to the health and wellbeing of the Student. This may involve the student-at-risk process or other similar processes that may be established by the University from time to time.
- 3 **Guest** means a person who is visiting a Student on campus; this includes student Guests and non-student Guests.
- 4 **Host** means a Student who hosts a Guest, while the Student is a participant in any course or program of study at Queen's, on campus; this includes student Guests and non-student Guests.
- 5 **Incident Report** means the information received and compiled by the NAM Intake Office for the purposes of initial assessment and referral to the appropriate NAM Unit.
- 6 **Non-Academic Misconduct** is described below in Section v: Types of Non-Academic Misconduct; it is classified as either Category 1 or Category 2 by the NAM Intake Office. The Categories and the factors to be considered in are described in more detail in Section IV: Referral and Carriage of Non-academic Misconduct Cases.
- 7 **Non Academic Misconduct System / NAM System** means the totality of:
 - a all NAM Units;
 - b the NAM Intake Office;
 - c this Code;
 - d all procedures, guidelines and instructions concerning the administration of this Code issued by a NAM Unit; and,
 - e the University Student Appeals Board in its capacity as the University's final internal adjudicative body for non-academic misconduct cases.
- 8 **NAM Intake Office** means the University Office that receives and refers reports of Student non-academic misconduct in accordance with the criteria set out in this Code.
- 9 **NAM Roundtable** serves as an informal forum for those involved in the operation of the University's non-academic misconduct system.

- 10 **NAM Subcommittee (“NAMSC”)** means the sub-committee of the Audit and Risk Committee of the Queen’s Board of Trustees, which is responsible for receiving reports about the NAM System and for recommending to the Board, via the Audit and Risk Committee, any proposed changes to this Code.
- 11 **NAM Unit:** means each of the Student Conduct Office, Athletics and Recreation, Residences, and any Authorized Agent of the University, involved in the administration of this Code.
- 12 **Public Official** includes law enforcement officers, fire & rescue personnel, paramedics, by-law officers, and other similar municipal, provincial or federal officials, acting in their professional capacity.
- 13 **Restorative Justice** emphasizes the importance of elevating the role of victims and community members through active involvement in the misconduct process, holding Students directly accountable to the people and communities harmed by their conduct, restoring the emotional and material losses of victims, and providing a range of opportunities for dialogue, negotiation, and problem solving, whenever possible. The goal is to achieve a greater sense of community safety and social harmony for all involved, and, requires the willing participation of Students and victims together.
- 14 **Sanctioned Activity** means an activity that has been approved by the University (through a University administrator authorized to do so), by a student government, or by an Authorized Agent of the University.
- 15 **Student** means anyone who is registered, full-time or part-time, in a course or program of study, including a non-degree diploma or certificate (whether for credit or not), offered by or through the University, or anyone who was so registered when the reported misconduct was said to have occurred. It also means a person registered at another university on a letter of permission from Queen’s and a person on exchange at Queen’s or abroad.
- 16 **Student Conduct Office** means the University Office that handles cases of alleged Category 2 non- academic misconduct.
- 17 **Student Group** means any extracurricular organization or club that is recognized or ratified by the University, by a student government, or, by any Authorized Agent of the University.
- 18 **University** means Queen’s University at Kingston.¹
- 19 **University Property** means property owned, rented or otherwise used by the University.
- 20 **University Student Appeal Board (“USAB”)** means the University’s final internal adjudicative body.

¹ “Queen’s University at Kingston” is the formal legal name of the institution; it does not refer to any geographical boundary.

- 1** This Code applies to non-academic misconduct by a Student or group of Students that takes place:
 - a** on University Property;
 - b** off University Property, in circumstances where:
 - i.** a Student is participating in a Sanctioned Activity, regardless of where that activity takes place;
 - ii.** a Student's conduct has a real and substantial connection to the legitimate interests of the University, which include, but are not limited to, its reputation or goodwill in the community; or,
 - iii.** a Student represents, claims to represent or would reasonably be perceived to be representing, the University or an organization affiliated with the University; and,
 - c** through electronic media, regardless of where it originates, where there is a clear connection to the University community.
- 2** This Code covers non-academic misconduct that occurs in the context of an academic program, including conduct that occurs when a Student is participating in:
 - a** any class activity, including a lecture, tutorial, lab or the like, on University Property; and,
 - b** any organized academic activity, such as a clinical placement, exchange, field placement, field trip, internship, research activities, or the like, that occurs off University Property.
- 3** Students are responsible for advising their Guests about this Code and the required standards of appropriate conduct. Students are responsible for the conduct of their Guest(s), including violation(s) of this Code, if the Student encouraged the misconduct, or if the Student knew of, or could have reasonably foreseen, the misconduct and failed to take steps to discourage or prevent it, or to advise Campus Security & Emergency Services.
- 4** Students will be held individually responsible for their actions, whether acting on their own or as part of a group.
- 5** Student Groups and/or their leaders or any identifiable spokesperson for a Student Group can be held responsible, collectively and/or individually, for violations of this Code by their members or by participants in their Group's activities, whether sanctioned or not, and whether on or off University Property, if the leaders gave encouragement or consent for the misconduct, or if

they knew of, or could have reasonably foreseen, the misconduct and failed to take steps to discourage or prevent it, or to advise Campus Security & Emergency Services.

- 6 Nothing in this Code replaces or supersedes any complaint, grievance or appeal process set out in any collective agreement to which the University is a party. However, Student misconduct that occurs while a Student is acting in their capacity as an employee of the University may, in addition to any employment-related discipline process, be addressed as non-academic misconduct under this Code where the NAM Intake Office determines that a non-employment University interest is also involved.
- 7 Student conduct that falls outside the scope of this Code, and which can be addressed by other University policies and procedures includes:
 - a an alleged departure from academic integrity; and,
 - b an alleged departure from research integrity.
- 8 In circumstances where alleged conduct would constitute a violation of more than one policy applicable to Student conduct, the NAM Intake Office will determine the appropriate procedure(s) to be followed.
- 9 Nothing in this Code prohibits Student participation in lawful and peaceful public assemblies and demonstrations, nor inhibits Students' lawful and non-violent freedom of expression. This does not, however, relieve a Student who is also an employee of the University of employment-related obligations.
- 10 Procedures under this Code may be undertaken before, at the same time as, or after, civil, criminal, or employment-related proceedings; but, if a report of misconduct has also resulted in civil, criminal, or employment-related proceedings against a Student, the Vice-Provost and Dean of Student affairs (or delegate) will determine whether the case under this Code should be deferred until the conclusion, or partial conclusion, of such other proceedings.
- 11 The University retains discretion to implement interim measures that are appropriate in the circumstances to support a safe campus environment and/or to safeguard the legitimate interests of the University and the campus community, for a specific period or until the case is concluded (e.g.: interim suspension, full or partial Notice of Prohibition, no contact requirements, and restriction(s) on or loss of privileges).
- 12 Interim measures are not evidence of any finding of fact concerning whether or not there has been a violation of the Code.

Intake and Referral of Non-Academic Misconduct Cases

- 1 The NAM Intake Office will manage initial intake and referral of all non-academic misconduct cases, with the following limited exceptions:
 - a **Athletics & Recreation Cases:** A report of non-academic misconduct by a Student-Athlete or an Intramural Sport Program Participant in a sport-related context will be dealt with by the Athletics & Recreation Department under the Athletic & Recreation Non-Academic Misconduct Policy. If it appears that a matter involves a “Major Infraction” or a “Repeat Infraction”, as those terms are defined by the Athletic & Recreation Non-Academic Misconduct Policy, the Athletics & Recreation Department must submit the matter to the NAM Intake Office for assessment and referral; and,
 - b **Residence Cases:** A report of non-academic misconduct that occurs in University residences or that is otherwise subject to Residence Community Standards will be dealt with under the Residence conduct system, with the exception of a report that alleges “Level Three” misconduct, as that term is defined in the Residence Community Standards. Such cases must be submitted to the NAM Intake Office for assessment and referral.
- 2 Non-academic misconduct falls into two general categories: Category 1 and Category 2. While Category 2 is generally considered to encompass relatively more grievous types of misconduct than Category 1, the demarcation between these Categories is not absolute.
- 3 The NAM Intake Office will first determine whether it is appropriate to refer a case to a Diversion Process.
- 4 If the NAM Intake Office does not refer a case to a Diversion Process, it will determine whether the alleged conduct falls within the SCOPE of this Code. If so, the NAM Intake Office will then determine the Category of the case, and thus the most appropriate NAM Unit to have carriage of that case, guided by various factors, including:
 - a whether the alleged misconduct jeopardized, or to a reasonable person potentially jeopardized, the health or safety of an individual. In this context, “jeopardize” includes physical, emotional or psychological impacts;
 - b whether the alleged misconduct constitutes a violation of Municipal, Provincial or Federal law or involves interfering with, obstructing, disrupting, misleading, or failing to comply with the directions of, a Public Official;
 - c the gravity of the consequences/harm alleged. This includes a consideration of whether the alleged misconduct resulted in the dispatch of University or public emergency services;

- d** prior findings of misconduct of the same or similar nature; and,
- e** the complexity of the fact situation; and,
- f** the presence of mitigating or aggravating factors identified in the Incident Report.

- 5** Every NAM Unit receiving a referral from the NAM Intake Office will assign that case to a case manager (“Case Manager”)
- 6** Decisions of the NAM Intake Office are not subject to appeal. But if, upon receipt of a case from the NAM Intake Office, a NAM Unit determines the case ought to have been referred elsewhere, the Unit may request that the NAM Intake Office re-direct the case accordingly.
- 7** NAM cases, if not informally resolved pursuant to an applicable procedure, shall be dealt with by the adjudicative body of the NAM Unit handling the case.
- 8** A Student against whom a NAM case is pending or against whom a sanction is outstanding may not voluntarily withdraw from the University. Similarly, the University will not issue Official Transcripts to the Student directly; transcripts will be sent to specified recipients at the Student’s request. If the sanction results in a Requirement to Withdraw transcript notation², previous recipient(s) will be sent an updated Official Transcript after any available appeal process has been exhausted or the time for appealing has expired.

² See *Policy on Transcript Terminology for Students Withdrawing from Queen's University*

- 2 More than one sanction may be applied for any violation of this Code.
- 3 Repeated or multiple breaches of the Code will normally result in progressively more severe sanctions.
- 4 In addition to the sanctions described in 7 and 8 below, sanctions in the Residence Community Standards and the Athletic & Recreation Non-Academic Misconduct Policy will be available in cases arising from those Units of the NAM System, but which have been referred or re-directed to the Student Conduct Office.
- 5 Sanctions will be appropriate to the conduct involved in each case.
- 6 Every NAM decision imposing a sanction(s) must describe any mitigating and/or aggravating factors that were considered by the decision-maker.
- 7 Sanctions that may be applied by any Unit in the University NAM System include, but are not limited to:
 - a **Written warning or reprimand** – A notice given to a Student indicating the details of the Code violation(s) and including a direction that the conduct cease and not be repeated. - i Restriction on, or loss of, privilege** – The restriction on or removal of specified privileges, indefinitely or for a specified period of time, which can include restrictions on, removal from, or participation in, any activity or role affiliated with the University (e.g. access to University facilities, participation in extra-curricular activities, University sponsored travel, participation on University bodies).⁴

Restrictions can be imposed on these individuals with respect to their participation in activities affiliated with the University, including participation on University bodies and in clubs.

- a** the university may decide to suspend the NAM process. If the Student re-joins the Queen's community in future, the University will decide whether to reinstate the NAM process; or,
- b** the University can decide to continue the case to conclusion, whether or not the Student participates in the process. If subsequently the student is found to have violated the Code and the sanction results in a Requirement to Withdraw transcript notation⁵, the Student's transcript will be amended accordingly, and prior recipient(s) of the Student's transcript will be so informed by the Registrar.

⁵ See *Policy on Transcript Terminology for Students Withdrawing from Queen's University*
