

**SCHOOL OF GRADUATE STUDIES
TRI-AGENCY RECIPIENT RECOGNITION AWARD (TARRA) – DOCTORAL
TERMS AND CONDITIONS 2020-2021**

1. The 2020-2021 Tri-Agency Recipient Recognition Award (TARRA) is awarded to doctoral students enrolled in OR starting Year 1 in an SGS graduate program at Queen's University as of September 2020 who have been awarded a new fellowship or scholarship valued between \$17,500 and \$35,000 from NSERC, SSHRC or CIHR. The student must also start their NSERC, SSHRC or CIHR fellowship or scholarship no later than 4 months after their initial enrolment in the doctoral program in order to be eligible for the 2020-2021 TARRA.
2. The value of the 2020-2021 TARRA is **\$10,000.00**. This award is granted for the first year of study only, and is not renewable.
3. Recipients of the Vanier Canada Graduate Scholarship are not eligible for the TARRA.
4. Recipients of a TARRA must provide both their department/program and the School of Graduate Studies (SGS) with a copy of their *Notice of Award* letter (or equivalent) sent to them by the respective Council (NSERC, SSHRC or CIHR).
5. The TARRA will be repaid to the SGS if the student becomes ineligible to hold the award from NSERC, SSHRC or CIHR, for any reason, during the tenure of the TARRA, as outlined in #7, #9 and/or #12 below, and/or as decided by the respective Agency.
6. The award will be paid by the SGS directly to the recipient's bank account of record, normally in three instalments per academic session. See #13 below for an exception to this schedule.
7. TARRA holders must be registered as full time students. If study status changes to part-time, the award will be cancelled. The TARRA will be paid to full-time **off-campus** students only if the appropriate Department/Program and the SGS, have approved this study status.
8. In most cases, scholarships, fellowships, or bursaries are not taxable and need not be reported as income on your tax return, if you received them while enrolled as a student in a program that entitles you to claim the education amount on your tax information, as defined by Canada Revenue Agency (CRA). More information on this topic may be found at CRA's website, <<http://www.cra-arc.gc.ca/menu-e.html>>. In some rare circumstances (outlined on CRA's website), this award or portions of it may be taxed. Tax is not deducted from the award by the SGS or Queen's University.
9. If any fellowship instalment is issued to a student who is subsequently determined to be ineligible to receive it, that instalment must be refunded. To reclaim an award or award instalment from a student who is ineligible to receive it, the SGS will cancel or reverse any direct deposit transaction through the student's fees account. If the SGS cancels or reverses a direct deposit transaction, the SGS shall inform the student that this action has been taken. If the transaction cannot be cancelled or reversed, it is the student's responsibility to repay the award or award instalment as soon as possible.
10. The usual start date of any award is September of the academic year. However, the start date of the TARRA may be commensurate with the start date of an NSERC, SSHRC or CIHR fellowship or scholarship, provided the fellowship or scholarship starts no later than 4 months after the student's enrollment in the doctoral program. Regardless of the start date of the TARRA, the total amount of \$10,000.00 normally will be paid in three instalments, provided the student is eligible to receive it. See #13 below for an exception to the normal payment of instalments.
11. Award holders are restricted to a maximum of ten hours per week as a Teaching Assistant (TA).
12. The amount of the award will be adjusted accordingly and/or cancelled if a student withdraws from their degree program during the tenure of award. Normally, students who withdraw must repay any or all of the term's award payment, based on the date of withdrawal.
13. The TARRA can be deferred for one term (and only one term) if the student has one installment remaining of a major external award that has a total value of \$15,000 or more. In these cases the

TARRA will commence in the second term of the doctoral program, in the academic year 2020-2021, and will be disbursed in two installments.

14. The TARRA may constitute a portion of guaranteed financial support from the department/program.
