

Are you seeking writing and academic support while learning online?

All of SASS' 1:1 appointments are available online through video conferencing software! Students of all levels seeking support with their academic or writing skills, or with English as an additional language, can work with our professional staff to ensure that they excel in final papers, take-home exams, online tests, and other work assigned while distance learning.

Our staff are experienced professionals accustomed to working with students at a distance. They are ready to support those who have to make rapid alterations to their plans due to syllabus changes, those who are stressed or anxious about their progress due to recent events, and those who wish to receive all the same support they would usually receive on campus!
