Application for Individual Directed Study

SOCY Individual-Directed Study

Please note that a student cannot have two courses with the same number. When choosing from the above numbers, make sure the student does not already have credit towards a given number.

In the fillable area below provide a brief description of the course and what will be expected of the student, including a list of assignments, a sample list of readings, frequency and format of meetings with the course instructor, when the work will be evaluated and, when the final grade will be submitted to the SGS.

The completed form must be submitted for approval to the Department of Sociology Graduate Coordinator no later than ONE WEEK before the final day to add a course in the term in which the course is offered. A copy of the application should go to the Graduate Assistant. Students should keep a copy of the approved application for their information.
