

MOVING?

Make YOUR waste disposal plan.

Make sure your waste is collected as expected and/or is disposed of in a legal way. You may place one bag of garbage out for collection without a Garbage Bag Tag. Additional garbage bags will be picked up IF they have a Garbage Bag Tag on them.

You can buy \$2 bag tags at:

- St. Lawrence College, 100 Portsmouth Ave.
(Student Association offices, Orange Wing, 2nd Floor)
- City Hall, 216 Ontario St.
- DrugSmart Pharmacy, 284 Earl St. Unit B400
(inside Queen's Centre)

Need to throw away large items like couches, desks, fridges, etc or large volumes of waste that can't fit in a garbage bag or can? **See below.**

Giveaway Day—April 17, 2021

Put items you no longer want for neighbours who might like them on Giveaway Day. Place them on the curb with a "Free" sign on it on April 17. Bring them back in at 6 p.m. if no one wants them as waste collectors will NOT pick them up.

Leave your recycling boxes and green bin behind

In Kingston, recycling boxes and green bins belong to the property, not the people living there. Please leave them behind when you move out.

Oversized and excess garbage disposal

Oversized (larger than 135L), overweight (over 44lbs) or untagged garbage bags cannot be handled curbside by City waste collection staff and need to be taken to a waste disposal site, like the ones listed below. These locations charge a fee for waste disposal. Items brought to them end up in landfill.

Waste Management, 62 St Remy Pl., 613-549-7401
Open Monday to Friday 7 a.m.-5 p.m. and Saturday 9 a.m. - 1 p.m. This facility will be open Saturday April 24, 9 a.m.-4 p.m. and Sunday April 25, 7:30 a.m.-12 p.m. to help with student move-out.

Waste Connections of Canada, 1266 McAdoo's Ln, 613-548-4428. Please call ahead for hours of operation.

Don't have a vehicle? A number of private waste haulers are listed on the web or in the Yellow Pages.

Recycling

The Kingston Area Recycling Centre (KARC) at 196 Lappan's Lane is open Monday to Friday, 8 a.m. to 5 p.m. and Saturday, 8 a.m. to 4 p.m. KARC accepts all curbside recycling materials, oversized cardboard, oversized Styrofoam (white only), clothing and small scrap metal items like microwaves, hot plates, kettles or any other item mostly made of metal.

Household Hazardous Waste

Also located at KARC is the Household Hazardous Waste Depot, operating Thursday 8 a.m. to 5 p.m. and Saturday, 8 a.m. to 4 p.m. starting April 1. Properly dispose of leftover cleaners, pesticides, paints and other hazardous materials here free of charge.

Donations

If items are in good condition, please consider donating them before sending them to landfill. A number of organizations will accept clothing and household items for reuse or recycling.

Clean Yards and Streets

Keep Kingston beautiful!
Please pick up litter on your street.
