Regarding Parking
Club membership does not include parking privileges. The Club does not own or control any parking spaces, and has no responsibility to pay for parking tickets that members may incur. All parking spaces in the lot beside the Club building are owned and managed by Queen’s University. They are permit parking only, twenty-four hours a day, seven days a week. This also applies to the accessible parking spaces. As a courtesy, Queen’s Parking does not issue tickets in the lot beside the Club building between 11:00 am & 2:00 pm on weekdays, to permit Club members to have lunch. However, there is no guarantee that any spaces will be available in the lot during that time. Metered parking is available on nearby streets, including King Street and Stuart Street. For more information about Queen’s parking policies and availability, see the Parking Services website at https://www.queensu.ca/parking/home.
